**BASED UPON THE RECORD ESTABLISHED AT THE INTERIM HEARING,
THE COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND

E. Notice. Notice of the Motion and the Interim Hearing have been provided in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Local Bankruptcy Rules, and no other or further notice of the Motion with respect to the relief requested at the Interim Hearing shall be required.

F. Stipulations. After consultation with their attorneys and financial advisors, and without prejudice to the rights of parties-in-interest as set forth in paragraph 38 herein, the Debtors, on their behalf and on behalf of their estates, admit, stipulate, acknowledge, and agree as follows

(paragraphs F(i) through F(vii) below are referred to herein, collectively, as the “Debtors’ Stipulations”):

(i) *Pre-Petition Credit Agreement.* Pursuant to that certain Credit Agreement, dated as of July 13, 2018 (as amended, restated, supplemented, or otherwise modified from time to time, the “Pre-Petition Credit Agreement,” and collectively with the Loan Documents (as defined in the Pre-Petition Credit Agreement) and any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, supplemented, waived, or otherwise modified from time to time, the “Pre-Petition Loan Documents”), originally among (a) the Borrower, (b) the Guarantor, (c) the other Loan Parties thereto, and (d) JPMorgan Chase Bank, N.A. (“JPM”), as lender, the lender provided revolving credit and other financial accommodations to, and issued letters of credit for the account of, the Borrower pursuant to the Pre-Petition Loan Documents (the “Pre-Petition Credit Facility”).

(ii) *Sale and Assignment Agreement.* Pursuant to that certain Sale and Assignment Agreement, dated as of May 28, 2021 (as amended, restated, supplemented, or otherwise modified from time to time, the “Assignment Agreement”), Sandton (the “Pre-Petition Lender”) agreed to purchase, and did purchase, all of the Pre-Petition Loan Documents from JPM in exchange for an assignment of all of JPM’s right, title, and interest in and to such Pre-Petition Loan Documents.

(iii) *Pre-Petition Obligations.* The Pre-Petition Credit Facility provided the Borrower with, among other things, a Revolving Commitment (as defined in the Pre-Petition Credit Agreement) up to \$13,500,000 in the aggregate (as of May 17, 2021). As of the Petition Date, the aggregate principal amount outstanding under the Pre-Petition Credit Facility was not less than \$12,500,000.00 (collectively, together with accrued and unpaid interest, any fees,

expenses, and disbursements (including, without limitation, attorneys' fees, accountants' fees, auditor fees, appraisers' fees, and financial advisors' fees, and related expenses and disbursements), treasury, cash management, bank product and derivative obligations, indemnification obligations, guarantee obligations, and other charges, amounts, and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Borrower's or the Guarantor's obligations pursuant to, or secured by, the Pre-Petition Loan Documents, including all "Secured Obligations" as defined in the Pre-Petition Credit Agreement, and all interest, fees (including amendment fees), prepayment premiums, costs, and other charges allowable under section 506(b) of the Bankruptcy Code, the "Pre-Petition Obligations").

(iv) *Pre-Petition Liens and Pre-Petition Collateral.* As more fully set forth in the Pre-Petition Loan Documents and in the Motion, prior to the Petition Date, the Borrower and the Guarantor granted to the Pre-Petition Lender, for the benefit of itself and the other Secured Parties (as defined in the Pre-Petition Credit Agreement), a first priority security interest in and continuing lien (the "Pre-Petition Liens") on substantially all of their assets and property (except for real property), and all proceeds, products, accessions, rents, and profits thereof, in each case whether then owned or existing or thereafter acquired or arising (collectively, the "Pre-Petition Collateral"), subject only to the Permitted Prior Liens (as defined herein).

(v) *Validity, Perfection, and Priority of Pre-Petition Liens and Pre-Petition Obligations.* The Debtors acknowledge and agree that as of the Petition Date: (a) the Pre-Petition Liens on the Pre-Petition Collateral were valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, the Pre-Petition Lender for fair consideration and reasonably equivalent value; (b) the Pre-Petition Liens were senior in priority over any and all

other liens on the Pre-Petition Collateral, subject only to liens senior by operation of law (solely to the extent any such liens were valid, properly perfected, non-avoidable, and senior in priority to the Pre-Petition Liens as of the Petition Date or that are perfected subsequently to the Petition Date as permitted by Section 546(b) of the Bankruptcy Code) or permitted by the Pre-Petition Loan Documents (the “Permitted Prior Liens”); (c) the Pre-Petition Obligations constitute legal, valid, binding, and non-avoidable obligations of the Debtors enforceable in accordance with the terms of the applicable Pre-Petition Loan Documents; (d) no offsets, recoupments, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Pre-Petition Liens or Pre-Petition Obligations exist, and no portion of the Pre-Petition Liens or Pre-Petition Obligations is subject to any challenge or defense including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including, without limitation, avoidance claims under chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against the Pre-Petition Lender or any of its affiliates, agents, attorneys, advisors, professionals, officers, directors, and/or employees arising out of, based upon, or related to the Pre-Petition Credit Facility; (f) the Debtors waive, discharge, and release any right to challenge any of the Pre-Petition Obligations, the priority of the Debtors’ obligations thereunder, and the validity, extent, and priority of the liens securing the Pre-Petition Obligations; and (g) the aggregate value of the Pre-Petition Collateral exceeds the amount of the Pre-Petition Obligations and the claims of the Pre-Petition Lender arising under, or secured by, the Pre-Petition Loan Documents constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code.

(vi) *Cash Collateral.* All of the Debtors' cash, including any cash in deposit accounts of the Debtors, wherever located, constitutes Cash Collateral of the Pre-Petition Lender.

(vii) *Default by the Debtors.* The Debtors acknowledge and stipulate that they are in default of their obligations under the Pre-Petition Loan Documents, including as a result of the commencement of these Chapter 11 Cases, and that an Event of Default has occurred under the Pre-Petition Loan Documents.

G. Permitted Prior Liens. Nothing herein shall constitute a finding or ruling by the Court that any alleged Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing shall prejudice the rights of any party-in-interest, including but not limited to the Debtors, the DIP Lender, the Pre-Petition Lender, or a Committee (if appointed), to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Prior Lien and/or security interests. The right of a seller of goods to reclaim such goods under section 546(c) of the Bankruptcy Code is not a Permitted Prior Lien, rather, any such alleged claim arising or asserted as a right of reclamation (whether asserted under section 546(c) of the Bankruptcy Code or otherwise) shall have the same rights and priority with respect to the DIP Liens (as defined herein) as such claims had with respect to the Pre-Petition Liens.

H. Intercreditor Agreement. The Pre-Petition Lender and PAO TMK are parties to that certain Intercreditor Agreement dated July 13, 2018 (the "Intercreditor Agreement"), a copy of which is attached hereto as **Exhibit B**, and which is enforceable in accordance with its terms.

I. Findings Regarding Corporate Authority. Each Debtor has all requisite corporate power and authority to execute and deliver the DIP Documents to which it is a party and to perform its obligations thereunder.

J. Findings Regarding Post-Petition Financing.

(i) *Request for Post-Petition Financing.* The Debtors seek authority to (a) use Cash Collateral on the terms described herein, and (b) enter into the DIP Facilities on the terms described herein and in the DIP Documents, to administer their Chapter 11 Cases, and to fund the Debtors' operations. At the Final Hearing, the Debtors will seek final approval of the DIP Facilities and use of Cash Collateral pursuant to a proposed final order (the "Final Order"), which shall be in form and substance acceptable to the DIP Lender. Notice of the Final Hearing and Final Order will be provided in accordance with this Interim Order.

(ii) *Priming of the Pre-Petition Liens.* The priming of the Pre-Petition Liens on the Pre-Petition Collateral under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Facilities and as further described below, will enable the Debtors to obtain the DIP Facilities and to continue to operate their businesses to the benefit of their estates and their creditors. The Pre-Petition Lender is entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, for any Diminution of Value of its interests in the Pre-Petition Collateral (including Cash Collateral).

(iii) *Need for Post-Petition Financing and Use of Cash Collateral.* The Debtors have an immediate and critical need to use Cash Collateral on an interim basis and to obtain credit on an interim basis pursuant to the DIP Facilities in order to, among other things, enable the orderly continuation of their operations and administer and preserve the value of their estates. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers, to pay their employees, and otherwise finance their operations requires the availability of working capital from the DIP Facilities and the use of Cash Collateral, the absence of either of which would immediately and irreparably harm the Debtors, their estates, and parties-in-interest. The Debtors do not have sufficient available sources of working capital and financing to operate their

businesses or maintain their properties in the ordinary course of business without the DIP Facilities and use of Cash Collateral.

(iv) *No Credit Available on More Favorable Terms.* The Debtors are unable to obtain adequate unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code, or other financing under sections 364(c) or (d) of the Bankruptcy Code, on equal or more favorable terms than those set forth in the DIP Documents. A loan facility in the amount provided by the DIP Documents is not available to the Debtors without granting the DIP Lender super-priority claims, priming liens and security interests, pursuant to sections 364(c)(1), (2), (3), and 364(d) of the Bankruptcy Code, as provided in this Interim Order and the DIP Documents. After considering all alternatives, the Debtors have concluded, in the exercise of their prudent business judgment, that the DIP Facilities provided under the DIP Documents represents the best and only working capital financing available to them at this time. Given their current financial condition, the Debtors have been unsuccessful in their attempts to find any alternative financing. Additionally, the terms of the Financing are fair and reasonable and reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties.

(v) *Purpose of Financing.* The Debtors require the Financing described in the Motion and as expressly provided in the DIP Documents to: (i) pay costs, fees and expenses associated with or payable under the Financing under the terms of this Interim Order; (ii) pay Allowed Professional Fees (as defined below) subject to the Approved Budget (as defined below); (iii) provide ongoing working capital requirements of the Debtors and to pay fees, costs, expenses and other administrative expenses relating to the Chapter 11 Cases, in each case, subject to the conditions set forth in the DIP Documents (including in respect to Availability under the Borrowing Base), subject to any necessary Bankruptcy Court approvals, and consistent with the

Approved Budget subject to any Budget Variances (each as defined below); and (iv) make other payments of post-petition payables as permitted under the DIP Documents, in each case subject to the conditions as set forth herein and in the DIP Documents (including in respect to Availability under the Borrowing Base) and consistent in all material respects with the Approved Budget and any Budget Variances.

(vi) *Application of Proceeds of Collateral.* As a condition to entry into the DIP Agreements, the extension of credit under the DIP Facilities, and authorization to use Cash Collateral, the Debtors, DIP Lender and the Pre-Petition Lender have agreed that as of and commencing on the date of the Interim Hearing, the Debtors shall apply the proceeds of DIP Collateral in accordance with this Interim Order and the Approved Budget.

(vii) *Roll-Up of Prepetition Obligations into DIP Obligations.* Upon entry of this Interim Order and the occurrence of the Effective Date (as defined in the DIP Agreement), without any further action by the Debtors or any other party, all collections received by the Debtors shall be applied to reduce, on a dollar-for-dollar basis, the Prepetition Obligations, with each post-petition advance made by the DIP Lender constituting DIP Loans (the “DIP Roll Up Obligations”). This conversion, or “roll up” shall be authorized as compensation for, in consideration for, and solely on account of, the agreement of the Pre-Petition Lender to fund amounts and provide other consideration to the Debtors under the DIP Facilities and not as payments under, adequate protection for, or otherwise on account of, any Pre-Petition Obligations. The Pre-Petition Lender would not otherwise consent to the use of its Cash Collateral or the subordination of its liens to the DIP Liens, and the DIP Lender would not be willing to provide the DIP Facilities or extend credit to the Debtors thereunder without the inclusion of the DIP Roll Up Obligations in the DIP Obligations. Moreover, the reduction of the Pre-Petition Obligations will enable the Debtors to

obtain urgently needed financing that they need to administer these Chapter 11 Cases and fund their operations. Because the DIP Roll Up Obligations are subject to the reservation of rights in paragraph 38 below, they will not prejudice the right of any other party-in-interest. Moreover, the “roll up” will create availability under the DIP ABL Facility and will result in interest savings to the Debtors and their estates.

K. Adequate Protection. The Pre-Petition Lender is entitled to receive adequate protection to the extent of any Diminution in Value of its interests in the Pre-Petition Collateral (including Cash Collateral) pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Pursuant to sections 361, 363 and 507(b) of the Bankruptcy Code, as adequate protection, the Pre-Petition Lender shall receive post-petition replacement liens, super-priority adequate protection claims, and reasonable professional fees allowed under § 506(b).

L. Approved Budget. Attached hereto as Exhibit C is a summary of the budget setting forth the Debtors’ anticipated cash receipts and expenditures during the thirteen-week period through August 29, 2021 (the “Approved Budget”). The Approved Budget shall be in form and substance acceptable to the DIP Lender and shall reflect the Debtors’ good-faith projection of all weekly cash receipts and disbursements in connection with the operation of the Debtors’ business during such thirteen-week period, delivered pursuant to the terms of the DIP Agreement, delivered by the Debtors to counsel for the DIP Lender.

M. Good Cause. Based upon the record presented to the Court by the Debtors, it appears that the ability of the Debtors to obtain sufficient working capital and liquidity under the DIP Documents is vital to the Debtors and the Debtors’ estates and creditors. The Debtors reasonably believe that the liquidity to be provided under the DIP Documents will enable the

Debtors to continue to operate their businesses in the ordinary course and preserve the value of their businesses. Good cause has, therefore, been shown for the relief sought in the Motion.

N. Good Faith. The Financing and the DIP Documents have been negotiated in good faith and at arm's length among the Debtors and the DIP Lender, and all of the obligations and indebtedness arising under, in respect of or in connection with the Financing and the DIP Documents shall be deemed to have been extended by the DIP Lender in accordance with the DIP Documents, in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Lender's claims, super-priority claims, security interests and liens and other protections granted pursuant to this Interim Order and the DIP Documents shall be entitled to the full protection of section 364(e) of the Bankruptcy Code and the terms, conditions, benefits, and privileges of this Interim Order regardless of whether this Interim Order is subsequently reversed, vacated, modified, or otherwise is no longer in full force and effect or the Chapter 11 Cases are subsequently converted or dismissed.

O. Consideration. The Debtors will receive and have received fair consideration and reasonably equivalent value in exchange for access to the Financing, and all other financial accommodations provided under the Financing, the DIP Documents and this Interim Order.

P. Immediate Entry of Interim Order. The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(b)(2) and (c)(2). The permission granted herein to enter into the DIP Documents and to obtain funds thereunder is necessary to avoid immediate and irreparable harm to the Debtors. This Court concludes that entry of this Interim Order is in the best interests of the Debtors and the Debtors' estates and creditors as its implementation will, among other things, allow for the continued flow of supplies and services to

the Debtors necessary to sustain the operation of the Debtors' existing businesses during the pendency of these Chapter 11 Cases. Based upon the foregoing findings, acknowledgements, and conclusions, and upon the record made before this Court at the Interim Hearing, and good and sufficient cause appearing therefor;

IT IS HEREBY ORDERED:

1. Disposition. The Motion is granted on an interim basis and on the terms set forth herein. Any objections to the Motion that have not previously been withdrawn, waived, settled, or resolved and all reservations of rights included therein are hereby denied and overruled on their merits.

2. Effectiveness. Subject to the terms hereof, this Interim Order shall be immediately effective and enforceable upon the date this order is signed and entered by the Court on the docket in the Chapter 11 Cases (the "Interim Order Entry Date").

3. Authorization of the Financing and DIP Documents

(a) The Debtors are hereby authorized to execute and enter into the DIP Documents. The DIP Documents and this Interim Order shall govern the financial and credit accommodations to be provided to the Debtors by the DIP Lenders in connection with the Financing.

(b) The Debtors are hereby authorized on an interim basis to borrow up to the principal amount of \$800,000.00 under the DIP Term Loan Facility, all of which shall be used by the Debtors as expressly permitted by the DIP Documents, the Approved Budget and any Budget Variances. The Debtors are authorized to use proceeds of the Financing in accordance with the Approved Budget in an amount that would not cause net cash flows and total disbursements for the trailing four weeks to vary from the applicable

amounts in the Approved Budget by more than fifteen percent (15%) (a “Budget Variance”). The first variance report showing budget to actual and any variance shall be delivered by the Debtors to the DIP Lender on June 9, 2021.

(c) In furtherance of the foregoing and without further approval of this Court, the Debtors are authorized to, and, if so required under the terms of the DIP Documents, perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements), and to pay all related fees and expenses, that may be required or necessary for the Debtors’ performance of their obligations under the Financing, including, without limitation:

(i) the execution, delivery, and performance of the DIP Documents, including, without limitation, the DIP Agreement, any security and pledge agreements, and any mortgages contemplated thereby;

(ii) subject to paragraph 19 hereof, the execution, delivery and performance of one or more amendments, waivers, consents, or other modifications to and under the DIP Documents, in each case in such form as agreed among the Debtors and the required other parties as set forth in more detail in Paragraph 19 below;

(iii) the non-refundable payment of the fees referred to in the DIP Documents and described in more detail in the Motion, including the fees of the DIP Lender, and, subject to paragraph 12, costs and expenses payable under the DIP Documents; and

(iv) the performance of all other acts required under or in connection with the DIP Documents.

(d) All of the DIP Liens described herein shall be valid, enforceable, effective and perfected as of the Interim Order Entry Date and without the necessity of the execution of mortgages, security agreements, pledge agreements, financing statements, or other agreements.

(e) The DIP Documents and DIP Obligations constitute valid, binding and non-avoidable obligations of the Debtors enforceable against each of their successors and assigns, and each person or entity party to the DIP Documents in accordance with their respective terms and the terms of this Interim Order and shall survive conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code or the dismissal of the Chapter 11 Cases. No obligation, payment, transfer, or grant of security under the DIP Documents or this Interim Order shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance (whether equitable or otherwise), impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity.

4. Carve Out. The Debtors' obligations to the DIP Lender and the liens, security interests and superpriority claims granted herein and/or under the DIP Documents, including the DIP Liens, the DIP Superpriority Claims and the Adequate Protection Claims, shall be subject and subordinate to the Carve Out. "Carve Out" shall mean the sum of (i) to the extent

allowed by the Court, all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and the Committee (to the extent one is appointed) pursuant to section 328 or 1103 of the Bankruptcy Code (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the DIP Lender of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice, to the extent provided for in the Approved Budget; (ii) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$200,000 incurred after the first business day following delivery by the DIP Lender of the Carve Out Trigger Notice, to the extent allowed by the Court (the amounts set forth in this clause (ii) being the “Post-Carve Out Trigger Notice Cap”); (iii) fees owed pursuant to 28 U.S.C. §1930 plus interest at the statutory rate pursuant to 31 U.S.C. § 3717 (without regard to the notice set forth below) or fees owed the clerk of the Bankruptcy Court, and (iv) all reasonable and documented fees and expenses, in an aggregate amount not to exceed \$50,000, incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth below). “Carve Out Trigger Notice” shall mean the written notice, including by email, delivered by the DIP Lender to the Debtors, their counsel, the U.S. Trustee and counsel to the Committee, if any, appointed in the Chapter 11 Case, which notice may be delivered following the occurrence and continuation of an Event of Default or the Termination Date in accordance with the terms of the DIP Documents, stating that the Post-Carve Out Trigger Cap has been invoked.

5. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve Out. The DIP Facilities, the DIP Collateral, the Pre-Petition Collateral, the Cash Collateral and the Carve Out may not be used in connection with: (a) preventing, hindering, or delaying any of the DIP

Lender's or the Pre-Petition Lender's permitted enforcement or realization upon any of the DIP Collateral or Pre-Petition Collateral; (b) using or seeking to use Cash Collateral or selling or otherwise disposing of DIP Collateral without the consent of the DIP Lender or as permitted by the DIP Documents; (c) using or seeking to use any insurance proceeds constituting DIP Collateral without the consent of the DIP Lender; (d) incurring Indebtedness (as defined in the DIP Agreement) without the prior consent of the DIP Lender, except to the extent permitted under the DIP Agreement; (e) seeking to amend or modify any of the rights granted to the DIP Lender or the Pre-Petition Lender under this Interim Order, the DIP Documents, or the Pre-Petition Loan Documents, including seeking to use Cash Collateral and/or DIP Collateral on a contested basis; (f) objecting to or challenging in any way the DIP Liens, DIP Obligations, Pre-Petition Liens, Pre-Petition Obligations, DIP Collateral (including Cash Collateral) or, as the case may be, Pre-Petition Collateral, or any other claims or liens, held by or on behalf of either of the DIP Lender or the Pre-Petition Lender, respectively; (g) asserting, commencing or prosecuting any claims or causes of action whatsoever, including, without limitation, any actions under chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions to recover or disgorge payments, against either the DIP Lender or the Pre-Petition Lender, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees; (h) litigating, objecting to, challenging, or contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the DIP Obligations, the DIP Liens, the Pre-Petition Liens, the Pre-Petition Obligations or any other rights or interests of the DIP Lender or the Pre-Petition Lender; or (i) seeking to subordinate, recharacterize, disallow or avoid the DIP Obligations, the DIP Liens, the Pre-Petition Obligations, or the Pre-Petition Liens; *provided, however,* that the Carve Out and such collateral proceeds and loans under the DIP Documents may be used for

allowed fees and expenses, in an amount not to exceed \$50,000 in the aggregate (the “Investigation Budget Amount”), incurred solely by a Committee (if appointed), in investigating (but not prosecuting or challenging) the Prepetition Lien and Claim Matters (as defined herein).

6. DIP Lender Superpriority Claim. Pursuant to section 364(c)(1) of the Bankruptcy Code, all of the DIP Obligations shall constitute allowed senior administrative expense claims against the Debtors with priority over any and all other administrative expenses, adequate protection claims, diminution claims and all other claims against the Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all other administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 546, 726, 1113, or 1114 of the Bankruptcy Code (the “DIP Superpriority Claims”), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed claims shall for purposes of section 1129(a)(9)(A) of the Bankruptcy Code be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, and which shall be payable from and have recourse to all pre- and postpetition property of the Debtors and their estates and all proceeds thereof, excluding Avoidance Actions (as defined below) but including, subject to entry of the Final Order, solely to the extent that all other DIP Collateral is insufficient to satisfy the DIP Claims secured by the DIP Liens as set forth in this Interim Order, without limitation, all Avoidance Proceeds (as defined below), subject only to the Carve Out.

7. No Obligation to Extend Credit. Except as may be required to fund the Carve Out as set forth in this Interim Order (and subject to the occurrence of the Effective Date), the DIP Lender shall have no obligation to make any loan or advance under the DIP Documents,

unless all of the conditions precedent to the making of such extension of credit under and subject to the DIP Documents and this Interim Order have been satisfied in full or waived by the DIP Lender in its sole discretion, and in accordance with the terms of the applicable DIP Documents.

8. Use of Proceeds of DIP Facilities. From and after the Petition Date, the Debtors shall use advances made under the DIP Facilities, in accordance with the Approved Budget (subject to such variances as permitted in the DIP Documents), only for the purposes specifically set forth in this Interim Order, the DIP Documents, and the Approved Budget, and in compliance with the terms and conditions in this Interim Order and the DIP Documents (including with respect to Availability under the Borrowing Base).

9. Budget Compliance. The Debtors shall at all times comply with the Approved Budget, subject to the variances set forth in the DIP Agreement. The Debtors shall provide all reports and other information as required in the DIP Agreement. The Debtors' failure to comply with the Budget (including the variances set forth in the DIP Agreement) or to provide the reports and other information required in the DIP Agreement shall constitute an Event of Default, following the expiration of any applicable cure period set forth in the DIP Agreement.

10. DIP Roll Up Obligations. Upon (a) entry of this Interim Order and the occurrence of the Effective Date (as defined in the DIP Agreement), without any further action by the Debtors or any other party, all collections received by the Debtors shall be applied to reduce, on a dollar-for-dollar basis, the Prepetition Obligations. The authorization of the DIP Roll-Up Obligations shall be subject to the reservation of rights set forth in paragraph 38 of this Interim Order, and in the event of a successful Challenge or entry of a Final Order which does not approve the roll-up, all DIP Roll-Up Obligations will be Pre-Petition Obligations.

11. DIP Liens.

(a) As security for the DIP Obligations, effective and perfected as of entry of this Interim Order and without the necessity of the execution by the Debtors (or recordation or other filing) of mortgages, security agreements, control agreements, pledge agreements, financing statements, or other similar documents, or the possession or control by the Debtors of, or over, any DIP Collateral, the following security interests and liens, hereby are granted by the Debtors to the DIP Lender (all property of the Debtor identified in clauses (i), (ii), and (iii) below being collectively referred to as the “DIP Collateral”), subject only to the Carve Out (all such liens on and security interests in the DIP Collateral granted to the DIP Lender, pursuant to this Final Order, the DIP Documents, the “DIP Liens”):

(i) First Lien on Unencumbered Property. Pursuant to section 364(c)(2) of the Bankruptcy Code and subject to the Carve Out, a valid, binding, continuing, enforceable, fully-perfected, first priority senior security interest in and lien upon all prepetition and postpetition property of the Debtors, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date or the date acquired (if acquired after the Petition Date) is not subject to valid, perfected, and non-avoidable liens, if any (collectively, “Unencumbered Property”), including (i) any unencumbered cash of the Debtors (wherever maintained) and any investment of such cash, inventory, accounts receivable, other rights to payment whether arising before or after the Petition Date, contracts, properties, plants, equipment, general intangibles, documents, instruments, interests in leaseholds, real properties, patents, copyrights, trademarks,

trade names, other intellectual property, equity interests, and any claims and causes of the Debtors; (ii) any claims and causes of action against any directors or officers of the Debtors as well as including any proceeds of, or property recovered in connection with, any successful claims and causes of action against any directors or officers of the Debtors; and (iii) excluding any claims and causes of action of the Debtors under sections 544, 545, 547, 548, 549, and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code or other applicable law (collectively, the “Avoidance Actions”), but including, subject to Entry of the Final Order, solely to the extent that all other DIP Collateral is insufficient to satisfy the DIP Claims secured by the DIP Liens as set forth in this Interim Order, any proceeds of, or property recovered in connection with, any successful Avoidance Action (whether by judgment, settlement or otherwise, and unencumbered or not, the “Avoidance Proceeds”)⁵;

(ii) Priming Liens Senior to the Pre-Petition Lender’s Liens.

Pursuant to section 364(d)(1) of the Bankruptcy Code and subject to the Carve Out, a valid, binding, continuing, enforceable, fully-perfected, first priority (subject to any Permitted Encumbrances, as defined in the DIP Agreement) senior priming security interest in and lien upon all prepetition and post-petition property of the Debtors (including any Cash Collateral), whether now existing or hereafter acquired, excluding (i) any real property,

⁵ For the avoidance of doubt, the DIP Lender is not taking a senior lien with respect to any real property interests of the Debtors which are subject to the liens of PAO TMK.

and (ii) any Avoidance Actions but including, subject to entry of the Final Order, solely to the extent that all other DIP Collateral is insufficient to satisfy the DIP Claims secured by the DIP Liens as set forth in the Interim Order, Avoidance Proceeds. Such security interests and liens shall be senior in all respects to the interests in such property of the Pre-Petition Lender arising from current and future liens of the Pre-Petition Lender and shall be subject to the Carve Out in all respects;

(iii) Liens Junior to Certain Other Liens. Pursuant to section 364(c)(3) of the Bankruptcy Code and subject to the Carve Out, a valid, binding, continuing, enforceable, fully-perfected junior security interest in and lien upon all pre-petition and post-petition property of the Debtors (other than the property described in clauses (i) or (ii) of this paragraph 11, as to which the liens and security interests in favor of the DIP Lender will be as described in such clauses) excluding any Avoidance Actions but including, subject to entry of the Final Order, solely to the extent that all other DIP Collateral is insufficient to satisfy the DIP Claims secured by the DIP Liens as set forth in this Interim Order, Avoidance Proceeds, whether now existing or hereafter acquired, that is (i) subject to valid, perfected, and unavoidable liens in existence immediately prior to the Petition Date or (ii) subject to valid and unavoidable liens in existence immediately prior to the Petition Date that are perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, which valid, perfected and

unavoidable liens are senior in priority to the security interests and liens of the Pre-Petition Lender; and

(iv) Liens Senior to Certain Other Liens. The DIP Liens shall not be subject or subordinate to (a) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (b) any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal, or other governmental unit, commission, board, or court for any liability of the Debtors. For the avoidance of doubt, the DIP Liens shall be subject to the Carve Out in all respects.

(b) The DIP Liens shall be effective immediately upon the Interim Order Entry Date.

(c) The DIP Liens shall be and hereby are fully perfected liens and security interests, effective and perfected upon the Interim Order Entry Date without the necessity of execution by the Debtors of mortgages, security agreements, pledge agreements, financing agreements, financing statements, or other agreements or documents, such that no additional steps need be taken by the DIP Lender to perfect such liens and security interests. Subject to entry of the Final Order, and subject to applicable non-bankruptcy law, any provision of any lease, loan document, easement, use agreement, proffer, covenant, license, contract, organizational document, or other instrument or agreement that requires the consent or approval of one or more landlords, licensors, or other parties, or requires the payment of any fees or obligations to any governmental entity, non-governmental entity or any other person, in order for any of the Debtors to pledge,

grant, mortgage, sell, assign, or otherwise transfer any fee or leasehold interest or the proceeds thereof or other collateral, shall have no force or effect with respect to the transactions granting the DIP Lender a first-priority lien on and security interest in the Debtors' interest in such fee, leasehold or other interest or other collateral or the proceeds of any assignment, sale or other transfer thereof, by the Debtors in favor of the DIP Lender in accordance with the terms of the DIP Agreement and the other DIP Documents.

(d) The DIP Liens, DIP Superpriority Claims, and other rights, benefits, and remedies granted under this Interim Order to the DIP Lender shall continue in the Chapter 11 Cases, in any successor cases under the Bankruptcy Code resulting from conversion of the Chapter 11 Cases (“Successor Cases”) and following any dismissal of the Chapter 11 Cases, and such liens, security interests, and claims shall maintain their priority as provided in this Interim Order until all the DIP Obligations have been indefeasibly paid in full in cash and completely satisfied and all of the commitments thereunder have been terminated in accordance with the DIP Loan Documents.

12. Fees and Expenses of DIP Lender. The Debtors shall no later than ten (10) days after the Debtors' receipt of a summary statement setting forth the applicable timekeepers, as well as the hours worked by and expenses incurred by such timekeepers, in connection with the Chapter 11 Cases (with copies provided via electronic mail to the U.S. Trustee and counsel for the Committee, if any, (collectively, the “Fee Notice Parties”)), indefeasibly pay or reimburse, as and when due the DIP Lender for its reasonable fees and out-of-pocket costs, expenses and charges (collectively, the “Lender Professional Fees”), including the reasonable pre-petition and post-petition fees, costs, and expenses of McGuireWoods LLP as counsel to DIP Lender and any other advisors or professionals retained by the DIP Lender. The Debtors and the Fee Notice Parties may

object to the reasonableness of the fees, costs and expenses included in any such professional fee invoice; provided that, any such objection shall be barred and deemed waived unless filed with the Court and served on the applicable professional by 11:59 p.m., prevailing Central Time, on the date that is no later than ten (10) days after the objecting party's receipt of the applicable professional fee invoice. If such objection is timely received, the Debtors shall promptly pay the portion of such invoice not subject to such objection, and this Court shall determine any such objection unless otherwise resolved by the applicable parties. Any hearing on an objection to payment of any fees, costs, and expenses of the DIP Lender set forth in a professional fee invoice shall be limited to the reasonableness of the particular items or categories of the fees, costs, and expenses which are the subject of such objection and whether the DIP Lender is entitled to such fees, costs and expenses under this Interim Order. For the avoidance of doubt, none of the fees, costs, and expenses of the DIP Lender shall be subject to Bankruptcy Court approval or U.S. Trustee guidelines, and no recipient of any such payment shall be required to file with respect thereto any interim or final fee application with this Court. All fees, costs and expenses payable under the DIP Documents to the DIP Lender shall be included and constitute part of the DIP Obligations and be secured by the DIP Liens. Notwithstanding anything to the contrary herein, the fees, costs, and expenses of the DIP Lender under and in connection with negotiation and preparation of the DIP Documents, whether incurred prior to or after the Petition Date, including, without limitation, the legal fees and expenses of any professionals retained by the DIP Lender in accordance with the DIP Documents, shall be deemed fully earned, indefeasibly paid, non-refundable, irrevocable, and non-avoidable on the date due and payable pursuant to the terms of the DIP Documents and, irrespective of any subsequent order approving or denying the Financing

or any other financing pursuant to section 364 of the Bankruptcy Code, fully entitled to all protections of section 364(e) of the Bankruptcy Code.

13. Authorization to Use Cash Collateral. Subject to the terms and conditions of this Interim Order, the DIP Facilities and the DIP Documents and in accordance with the Approved Budget (subject to such variances as permitted in the DIP Documents), the Debtors are authorized to use Cash Collateral until the Maturity Date (as defined in the Credit Agreement) (the “DIP Termination Date”); provided, however, that nothing in this Interim Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor’s use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Interim Order (including the Carve Out), the DIP Facilities, the DIP Documents, and in accordance with the Approved Budget (subject to such variances as permitted in the DIP Documents).

14. Adequate Protection.

(a) Adequate Protection Liens. Pursuant to sections 361, 363(e), and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Pre-Petition Lender in the Pre-Petition Collateral against any Diminution in Value, the Debtors hereby grant to the Pre-Petition Lender continuing, valid, binding, enforceable, and perfected post-petition security interests in and liens on all DIP Collateral (the “Adequate Protection Liens”).

15. Priority of Adequate Protection Liens.

(a) The Adequate Protection Liens shall be subject to the Carve Out and shall otherwise be junior (in order of priority) only to: (i) the Permitted Prior Liens; (2) the

DIP Liens; and (3) the Pre-Petition Liens. The Adequate Protection Liens shall otherwise be senior to all other security interests in or liens on any of the Debtors' assets.

(b) Except as provided herein, the Adequate Protection Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter in the Chapter 11 Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in any of the Chapter 11 Cases or any Successor Cases, or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The Adequate Protection Liens shall not be subject to sections 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estates pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the Pre-Petition Liens or the Adequate Protection Liens.

16. Adequate Protection Super-Priority Claim. Subject and subordinate to the Carve Out as set forth in this Interim Order, as further adequate protection of the interests of the Pre-Petition Lender in the Pre-Petition Collateral against any Diminution in Value, the Pre-Petition Lender is hereby granted as and to the extent provided by section 507(b) of the Bankruptcy Code an allowed super-priority administrative expense claim in each of the Chapter 11 Cases and any Successor Cases (the "Adequate Protection Superpriority Claim").

17. Priority of the Adequate Protection Superpriority Claim. Except as set forth herein, the Adequate Protection Superpriority Claim shall have priority, to the extent provided by section 507(b) of the Bankruptcy Code, over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 328, 330, 331, 503(a), 503(b), 507(a) (other than 507(a)(1)),

506(c) (subject to entry of a Final Order granting such relief), 507(b), 546(c), 726 (to the extent permitted by law), 1113 and 1114 of the Bankruptcy Code; *provided, however,* that the Adequate Protection Superpriority Claim shall be subject to the Carve Out as set forth in this Interim Order and junior to the DIP Superpriority Claim, and subject the lien priorities set forth herein.

18. Adequate Protection Payments. As further adequate protection, the Debtors are authorized and directed to provide adequate protection to the Pre-Petition Lender in the form of payment in cash of the reasonable and documented fees, out-of-pocket expenses, and disbursements (including the reasonable and documented fees, out-of-pocket expenses, and disbursements of counsel, financial advisors, auditors, third-party consultants, and other vendors) incurred by the Pre-Petition Lender arising prior to the Petition Date, including reasonable and documented fees and expenses of McGuireWoods LLP, without the need for the filing of a formal fee application.

19. Amendments, Consents, Waivers, and Modifications. The Debtors, with the express written consent of the DIP Lender and, to the extent required by the DIP Agreement, may enter into any amendments, consents, waivers, or modifications to the DIP Documents that are not materially adverse to the Debtors without the need for further notice and hearing or any order of this Court; *provided, however,* that, without the consent of this Court on notice and a hearing, no such amendments, consents, waivers or modifications shall (i) shorten the maturity of the Financing, (ii) increase the commitments thereunder or the rate of interest payable under the DIP Documents, (iii) require the payment of any new or additional fees, or (iv) amend the Events of Default or covenants in the DIP Documents to be materially more restrictive to the Debtors. No consent shall be implied by any other action, inaction, or acquiescence of the DIP Lender.

20. Perfection of DIP Liens.

(a) The DIP Lender is hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments in any jurisdiction, or take possession of or control over, or take any other action in order to validate and perfect the liens and security interests granted to it hereunder, in each case, without the necessity to pay any mortgage recording fee or similar fee or tax. Whether or not the DIP Lender in its sole discretion, chooses to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over, or otherwise confirm perfection of the liens and security interests granted to it hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute or subordination. The Debtors shall, if requested, execute and deliver to the DIP Lender all such agreements, financing statements, instruments and other documents as the DIP Lender may reasonably request to more fully evidence, confirm, validate, perfect, preserve, and enforce the DIP Liens and all such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A certified copy of the Interim Order may be filed by the DIP Lender with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien, or similar instruments, and all filing offices are hereby directed to accept such certified copy of this Interim Order for filing and recording.

21. Access to Collateral. Notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the DIP Lender contained in this Interim Order or the DIP Documents (including the Intercreditor Agreement), or otherwise available at law or in equity, upon written notice to the Debtors, the U.S. Trustee, any statutory

committee appointed in the Chapter 11 Cases, and to any landlord, lienholder, licensor (including, but not limited to, Fermata Technologies, LLC), or other third party owner of any leased or licensed premises or intellectual property that an Event of Default under the DIP Documents or a default by the Debtors of any of their obligations under this Interim Order has occurred and is continuing, the DIP Lender (i) may enter upon any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to DIP Collateral located thereon, including but not limited to marketing, selling or reselling any inventory of the Debtors, whether now owned or hereinafter acquired, which contains or is protected by any brand name or trademark owned or held by any licensor, and (ii) subject to applicable law, shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable license and to use any and all trademarks, trade-names, copyrights, licenses, patents or any other similar assets of the Debtors, which are owned by or subject to a lien or license of any third party and which are used by the Debtors in their businesses, in either the case of subparagraph (i) or (ii) of this paragraph without interference from lienholders or licensors thereunder. The DIP Lender's ability to exercise rights under this paragraph shall be subject to the DIP Lender obtaining authorization from the Bankruptcy Court to do so, which the Debtors agree may be sought on an expedited basis on five (5) business days' notice from the date the Event of Default is noticed in accordance with this paragraph (subject to Court availability). Nothing herein shall require the Debtors or the DIP Lender to assume or assign any lease or license under section 365(a) of the Bankruptcy Code as a precondition to the rights afforded to the DIP Lender in this paragraph.

22. Automatic Stay Modified. The automatic stay provisions of section 362 of the Bankruptcy Code hereby are vacated and modified without the need for any further order of this Bankruptcy Court to allow the DIP Lender, at its sole discretion, to:

(a) whether or not an Event of Default under the DIP Documents has occurred, (i) require proceeds from Collateral and other collections received by the Debtors to be deposited in accordance with the requirements of the DIP Documents, and to apply any amounts so deposited and other amounts paid to or received by the DIP Lender under the DIP Documents in accordance with any requirements of the DIP Documents, and (ii) require mandatory prepayments in accordance with the requirements of the DIP Documents, in each case, without further order of this Court; and

(b) immediately upon the occurrence and during the continuation of an Event of Default (as defined in DIP Documents), allow the DIP Lender to deliver a written notice of its intention to declare a termination of the Debtors' ability and rights to access or use proceeds of the Financing (any such declaration, a "Termination Declaration"). The Termination Declaration shall be given by written notice (including electronic mail) to the Debtors, the U.S. Trustee and counsel to the Committee, if any.

(c) If a Termination Declaration is delivered as provided above, the Debtors hereby consent to a hearing being held before this Court on an expedited basis and a motion shall be filed with the Court by the DIP Lender on at least five (5) business days' notice (subject to the Court's availability) to cause the automatic stay to be lifted to enable the DIP Lender to exercise rights and remedies against the DIP Collateral in accordance with this Interim Order, the DIP Documents, or applicable law. The Court may fashion any appropriate remedy at the hearing. The Debtors hereby waive their right to and shall not be entitled to seek relief, including under section 105 of the Bankruptcy Code or otherwise, to the extent that such relief would in any way impair or restrict the express rights and remedies granted to the DIP Lender under this paragraph.

23. Subsequent Reversal or Modification. This Interim Order is entered pursuant to, *inter alia*, section 364 of the Bankruptcy Code, and Bankruptcy Rules 4001(b) and (c), granting the DIP Lender all protections afforded by section 364(e) of the Bankruptcy Code. If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated or stayed, that action will not affect (i) the validity of any obligation, indebtedness or liability incurred hereunder by the Debtors to the DIP Lender prior to the date of receipt by the DIP Lender of written notice of the effective date of such action, (ii) the payment of any fees required under this Interim Order or the DIP Documents, and/or (iii) the validity and enforceability of any lien, claim, obligation, right, remedy or priority authorized or created under this Interim Order or pursuant to the DIP Documents as of such date. Notwithstanding any such reversal, stay, modification, or vacatur, any postpetition indebtedness, obligation or liability incurred by the Debtors to the DIP Lender, prior to written notice being delivered to the DIP Lender of the effective date of such action, shall be governed in all respects by the original provisions of this Interim Order unless the Final Order has been entered, in which case the Final Order shall govern, and the DIP Lender shall be entitled to all the rights, remedies, privileges, and benefits granted herein and in the DIP Documents with respect to all such indebtedness, obligations or liability.

24. Restriction on Use of Lenders' Funds. Notwithstanding anything herein to the contrary, no Collateral, proceeds thereof, proceeds of the Financing, or any portion of the Carve Out may be used by the Debtors, the Debtors' estates, any Committee, any trustee or examiner appointed in the Chapter 11 Cases or any chapter 7 trustee, or any other person, party or entity to, in any jurisdiction anywhere in the world, directly or indirectly to (a) request authorization to obtain post-petition financing (whether equity or debt) or other financial accommodations pursuant to section 364(c) or (d) of the Bankruptcy Code, or otherwise, other than (i) from the DIP Lender

or (ii) if such financing is sufficient to indefeasibly pay all Obligations in full in cash and such financing is immediately so used; (b) assert, join, commence, support, investigate, or prosecute any action for any claim, counter-claim, action, cause of action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or similar relief against, or adverse to the interests of, in any capacity, the DIP Lender and/or each of its former, current, or future officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors in interest (collectively, the “Releasees”), with respect to any transaction, occurrence, omission, or action, including, without limitation, (i) any action arising under the Bankruptcy Code against a Releasee; (ii) any so-called “lender liability” claims and causes of action against a Releasee; (iii) any action with respect to the legality, enforceability, validity, extent, perfection, and priority of the DIP Obligations, the DIP Superpriority Claims, the DIP Documents, or the legality, enforceability, validity, extent, perfection, and priority of the DIP Liens; (iv) any action seeking to invalidate, set aside, avoid, reduce, set off, offset, recharacterize, subordinate (whether equitable, contractual, or otherwise), recoup against, disallow, impair, raise any defenses, cross-claims, or counter claims or raise any other challenges under the Bankruptcy Code or any other applicable domestic or foreign law or regulation against or with respect to the DIP Liens, DIP Obligations, or the DIP Superpriority Claims, in whole or in part; (v) appeal or otherwise challenge this Interim Order, the DIP Documents, or any of the transactions contemplated herein or therein; and/or (vi) any action that has the effect of preventing, hindering, or delaying (whether directly or indirectly) the DIP Lender’s rights in respect of its liens on and security interests in the Collateral or any of its rights, powers, or benefits hereunder or in the DIP Documents anywhere in the world; (c) seek to modify

any of the rights granted to the DIP Lender hereunder or under the DIP Documents and/or (d) pay any claim of a pre-petition creditor except as permitted under the DIP Documents and applicable Order of this Court in accordance with the Approved Budget.

25. Collateral Rights. Except as expressly permitted in this Interim Order or the DIP Documents, in the event that any person or entity that holds a lien on or security interest in Collateral of the Debtors' estate, that is junior and/or subordinate to the DIP Liens receives or is paid the proceeds of such Collateral, prior to indefeasible payment in full in cash and the complete satisfaction of all DIP Obligations under the DIP Documents, and termination of the commitments under the DIP Documents, such junior or subordinate lienholder shall be deemed to have received, and shall hold, the proceeds of any such Collateral of the Debtors' estate, in trust for the DIP Lender, and shall immediately turnover such proceeds to the DIP Lender for application in accordance with the DIP Documents and this Interim Order.

26. Prohibition on Additional Liens. Except as provided in the DIP Documents or this Interim Order, the Debtors shall be enjoined and prohibited from, at any time during the Chapter 11 Cases until such time as the DIP Obligations have been indefeasibly paid in full, granting liens on or security interests in the Collateral or any portion thereof to any other entities, pursuant to section 364(d) of the Bankruptcy Code or otherwise, which liens are junior to, senior to, or *pari passu* with the DIP Liens.

27. No Waiver. This Interim Order shall not be construed in any way as a waiver or relinquishment of any rights that the DIP Lender may have to bring or be heard on any matter brought before this Bankruptcy Court.

28. Sale/Conversion/Dismissal/Plan.

(a) No order providing for either the sale of the ownership of the stock of the Debtors or the sale of all or substantially all of the assets of the Debtors under section 363 of the Bankruptcy Code shall be sought by the Debtors unless, in connection and concurrently with any such event, (i) the proceeds of such sale shall be used to indefeasibly pay in full in cash and completely satisfy the DIP Obligations and the commitments under the DIP Documents are terminated; (ii) such sale is expressly permitted under the DIP Documents; or (iii) the DIP Lender otherwise consents.

(b) If an order dismissing or converting the Chapter 11 Cases or an order appointing a chapter 11 trustee or an examiner with expanded powers is at any time entered, and unless otherwise agreed to by the DIP Lender, such order shall provide that, in each case subject to the Carve Out, (i) the DIP Liens, the DIP Lender Superpriority Claim, the DIP Obligations and the DIP Documents shall continue in full force and effect, remain binding on all parties-in-interest, and maintain their priorities as provided in this Interim Order until all DIP Obligations hereunder are indefeasibly paid in full in cash and completely satisfied and the commitments under the DIP Documents are terminated in accordance with the DIP Documents, (ii) to the extent permitted by applicable law, this Court shall retain jurisdiction, notwithstanding such dismissal, for purposes of enforcing the DIP Liens and the DIP Superpriority Claims, and (iii) all postpetition indebtedness, obligations or liability incurred by the Debtors to the DIP Lender prior to the date of such order, including, without limitation, the DIP Obligations, shall be governed in all respects by the original provisions of this Interim Order unless the Final Order has been entered, in which case the Final Order shall govern, and the DIP Lender shall be entitled to all the

rights, remedies, privileges, and benefits granted herein and in the DIP Documents with respect to all such indebtedness, obligation or liability.

29. Priority of Terms. To the extent of any conflict between or among (a) the express terms or provisions of any of the DIP Documents, the Motion, any other order of this Court, or any other agreements, on the one hand, and (b) the terms and provisions of this Interim Order, on the other hand, unless such term or provision herein is phrased in terms of “as defined in” or “as more fully described in” the DIP Documents or words of similar import, the terms and provisions of this Interim Order shall govern.

30. No Third Party Beneficiary. Except as explicitly set forth herein, no rights are created hereunder for the benefit of any third party, any creditor or any direct, indirect or incidental beneficiary.

31. Rights Under Sections 363(k) and 1129(b). In connection with any sale process authorized by the Court, (i) the DIP Lender and (ii) subject to entry of a Final Order granting such relief and to the rights preserved in Paragraph 38, the Pre-Petition Lender, or any assignee or designee of any of the foregoing, shall be authorized to credit bid some or all of their claims for their respective collateral (each, a “Credit Bid”) to the extent permitted by section 363(k) of the Bankruptcy Code, subject in each case to the provision of consideration sufficient to indefeasibly pay in full in cash any senior liens on the collateral that is subject to the Credit Bid except to the extent otherwise agreed by the holder of such senior lien in their sole and absolute discretion. Subject to entry of a Final Order granting such relief, the Pre-Petition Lender and the DIP Lender shall be deemed a “Qualified Bidder” with respect to their rights to acquire all or any of the assets by Credit Bid.

32. Preservation of Pre-petition Priorities. Nothing in this Order is intended to change or otherwise modify the pre-petition priorities among pre-petition secured creditors of the Debtors, including (i) any operators' or nonoperators' lien or recoupment rights to the extent their liens or rights are valid, enforceable, nonavoidable and perfected, and (ii) any claims of the lienholders or any other mechanic or materialmen or mineral lien claimants to the extent their liens are valid, enforceable, non-avoidable and perfected, including as permitted by section 546(b) of the Bankruptcy Code, and nothing in this Order, including the granting of adequate protection liens, shall be deemed to have changed or modified such prepetition priorities, all of which are hereby expressly preserved.

33. Lienholders. Notwithstanding anything to the contrary in this Order, to the extent that any lienholder has a valid prepetition lien on any collateral, such interest shall be entitled to adequate protection, to secure payment of an amount equal to the diminution in value of such lienholder's interest in such collateral, subject and subordinate to the DIP Liens and Carve Out in all respects, post-petition replacement liens against such collateral (and the proceeds thereof) on which such lienholder holds a valid pre-petition lien in the same priority of such valid pre-petition lien.

34. Proofs of Claim. Notwithstanding anything to the contrary contained in any prior or subsequent order of the Bankruptcy Court, the DIP Lender shall not be required to file proofs of claim in the Chapter 11 Cases for any claim allowed herein in relation to the DIP Credit Agreement and DIP Loan Documents. Notwithstanding any order entered by the Court in relation to the establishment of a bar date to the contrary, the DIP Lender is hereby authorized and entitled, in its sole discretion, but not required to file (and amend and/or supplement, as it sees fit) a proof of claim in the Chapter 11 Cases for any claim allowed herein in relation to the DIP Documents.

35. Headings. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

36. No Consent. No action, inaction or acquiescence by the DIP Lender, including funding the Debtors' ongoing operations under this Interim Order, shall be deemed to be or shall be considered as evidence of any alleged consent by the DIP Lender to a charge against the Collateral pursuant to sections 506(c), 552(b) or 105(a) of the Bankruptcy Code.

37. Sections 506(c) and 552(b). Upon entry of a Final Order, the DIP Lender shall not be subject in any way whatsoever to the equitable doctrine of "marshaling" or any similar doctrine with respect to the Collateral. The "equities of the case" exception of section 552(b) of the Bankruptcy Code shall not apply to the DIP Lender with respect to the DIP Documents and/or the Collateral. Upon entry of a Final Order, no person or entity shall be entitled, directly or indirectly, to, except as expressly provided by paragraph 4 of this Interim Order with respect to the Carve Out, charge or recover from the Collateral, whether by operation of section 506(c) of Bankruptcy Code, sections 105 or 552(b) of the Bankruptcy Code, or otherwise, or direct the exercise of remedies or seek (whether by order of this Bankruptcy Court or otherwise) to marshal or otherwise control the disposition of Collateral or Property after an Event of Default under the DIP Documents, or termination or breach under the DIP Documents or this Interim Order.

38. Effect of Stipulations on Third Parties.

(a) Generally. The admissions, stipulations, agreements, releases, and waivers set forth in paragraph F of this Interim Order (collectively, the "Pre-Petition Lien and Claim Matters") are and shall be binding on the Debtors, any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties-in-interest and all of their successors-in-interest and assigns, including, without limitation,

a Committee (if appointed), unless, and solely to the extent that, a party-in-interest with Requisite Standing (other than the Debtors, as to which any Challenge is irrevocably waived and relinquished) (i) has timely filed the pleadings, and timely commenced the proceeding required under the Bankruptcy Code and Bankruptcy Rules, including, without limitation, as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 38 of this Interim Order) challenging the Pre-Petition Lien and Claim Matters (each such proceeding or pleading commencing a proceeding or other contested matter, a “Challenge”) by no later than (A) for a Committee, (if appointed), sixty (60) days from the date of formation of a Committee (if appointed), or (B) seventy-five (75) days following the entry of the Interim Order for any other party in interest with Requisite Standing (each, as applicable, the “Challenge Deadline”), as such applicable date may be extended in writing from time to time in the sole discretion of the Pre-Petition Lender (with respect to the Pre-Petition Loan Documents), or by this Court for good cause shown pursuant to an application filed by a party in interest prior to the expiration of the Challenge Deadline, and (ii) this Court enters judgment in favor of the plaintiff or movant in any such timely commenced Challenge proceeding and any such judgment has become a final judgment that is not subject to any further review or appeal. Notwithstanding the foregoing, if a chapter 11 trustee is appointed or the Chapter 11 Cases are converted to chapter 7 prior to the expiration of the Challenge Deadline, (1) the chapter 11 trustee or chapter 7 trustee, as applicable, shall have until the later of the Challenge Deadline or the sixtieth (60th) day after the appointment of the chapter 11 trustee or the conversion of the Case to chapter 7, as applicable, to commence a Challenge, subject to any further extension by order of the Court for cause, and (2) if the Committee has asserted a Challenge prior to the Challenge Deadline, the chapter 11 trustee or chapter 7 trustee will stand in the shoes of the Committee in such Challenge.

(b) *Binding Effect.* To the extent no Challenge is timely commenced by the Challenge Deadline, or to the extent such proceeding does not result in a final and non-appealable judgment or order of this Court that is inconsistent with the Pre-Petition Lien and Claim Matters, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Pre-Petition Lien and Claim Matters shall, pursuant to this Interim Order, become binding, conclusive, and final on any person, entity, or party in interest in the Chapter 11 Cases, and their successors and assigns, and in any Successor Case for all purposes and shall not be subject to challenge or objection by any party in interest, including, without limitation, a trustee, responsible individual, examiner with expanded powers, or other representative of the Debtors' estates. Notwithstanding anything to the contrary herein, if any such proceeding is timely commenced, the Pre-Petition Lien and Claim Matters shall nonetheless remain binding on all other parties in interest and preclusive as provided in subparagraph (a) above except to the extent that any of such Pre-Petition Lien and Claim Matters is expressly the subject of a timely filed Challenge, which Challenge is successful as set forth in a final judgment as provided in subparagraph (a) above. To the extent any such Challenge proceeding is timely commenced, the Pre-Petition Lender shall be entitled to payment of the reasonable and documented related costs and expenses, including, but not limited to reasonable and documented attorneys' fees, incurred under the Pre-Petition Loan Documents in defending itself in any such proceeding as adequate protection, unless such Challenge is successful. Upon a successful Challenge brought pursuant to this paragraph, the Court may fashion any appropriate remedy. The filing of a motion seeking standing to file a Challenge before the Challenge Deadline, which attaches a proposed complaint, shall extend the Challenge Deadline with respect to that party until two (2) business days after the Court approved the standing motion, provided that such

extension shall not be greater than thirty (30) days after the filing of such motion, or such other time period ordered by the Court.

39. Adequate Notice. The notice given by the Debtors of the Interim Hearing was given in accordance with Bankruptcy Rules 2002 and 4001(c)(2) and the Local Bankruptcy Rules. Under the circumstances, no further notice of the request for the relief granted at the Interim Hearing is required.

40. Final Hearing Date. The Final Hearing to consider the entry of the Final Order approving the relief sought in the Motion shall be held on June 21, 2021 at 3:30 p.m. (CT) before the Honorable David R. Jones in the United States Bankruptcy Court for the Southern District of Texas. On or before June 3, 2021, the Debtors shall serve, by United States mail, first-class postage prepaid, notice of the entry of this Interim Order and of the Final Hearing (the “Final Hearing Notice”), together with copies of this Interim Order and the Motion, on: (a) the parties having been given notice of the Interim Hearing; (b) any party which has filed prior to such date a request for notices with the Court; (c) counsel for any appointed Committee; (d) the Internal Revenue Service; (e) all state taxing authorities in the states in which the Debtors have tax liabilities; (f) all parties known to the Debtors to be asserting liens against or security interests in any of the collateral addressed by this Interim Order; (g) the U.S. Attorney’s Office; (h) the Texas Attorney General’s office; and (i) the U.S. Trustee. The Final Hearing Notice shall state that any party-in-interest objecting to entry of the Final Order shall file written objections with the Clerk of the Court no later than June 14, 2021 at 4:00 p.m. (prevailing Central Time), which objections shall be served on or before such date on: (i) counsel to the Debtors, Porter Hedges LLP, 1000 Main Street, 36th Floor, Houston, TX 77002, Attn: Aaron Power (apower@porterhedges.com); (ii) counsel to the DIP Lender and the Pre-Petition Lender,

McGuireWoods LLP, Tower Two-Sixty, 260 Forbes Avenue, Suite 1800, Pittsburgh, PA 15222, Attn: Mark E. Freedlander (mfreedlander@mguirewoods.com); counsel to the Committee (if appointed); and (iii) the U.S. Trustee. Any objection to the relief sought at the Final Hearing shall be made in writing setting forth with particularity the grounds thereof, and filed with the Bankruptcy Court.

41. General Authorization. The Debtors, DIP Lender, and Pre-Petition Lender are authorized to take any and all actions necessary to effectuate the relief granted in this Interim Order.

42. Retention of Jurisdiction. This Bankruptcy Court has and will retain jurisdiction to enforce this Interim Order according to its terms.

Signed: June 02, 2021.

WHEREAS, on May 31, 2021 (the “Petition Date”), the Borrower and the other Loan Parties commenced Chapter 11 case numbers 21-31784, 21-31786, and 21-31787, jointly administered as Chapter 11 case number 21-31784 (each a “Chapter 11 Case” and collectively, the “Chapter 11 Cases”) by filing separate voluntary petitions for relief under chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the Southern District of Texas (the “Court”). The Borrower and the other Loan Parties continue to operate their businesses and manage their properties as debtors and debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code;

WHEREAS, prior to the Petition Date, the Lender provided financing to the Borrower pursuant to that certain Credit Agreement, dated as of July 13, 2018, among the Lender (as assignee of JPMorgan Chase Bank, N.A.), the Borrower, and Threading and Precision Manufacturing LLC (as amended, modified or supplemented through the Petition Date, the “Pre-Petition Credit Agreement”);

WHEREAS, the Loan Parties stipulate that the Obligations, under and as defined in the Pre-Petition Credit Agreement, are secured by a security interest in certain existing and after-acquired assets of the Loan Parties as more fully set forth in the Pre-Petition Loan Documents and such security interest is perfected and, with certain exceptions, as described in the Pre-Petition Loan Documents, has priority over other security interests;

WHEREAS, the Borrower has requested, and, upon the terms and conditions set forth in this Agreement, the Lender has agreed to make available to the Borrower, a senior secured, super-priority credit facility of up to \$16,500,000 in the aggregate to fund the working capital requirements of the Borrower and other transactions more fully set forth in Sections 3.19 and 5.08 herein during the pendency of the Chapter 11 Cases; and

WHEREAS, each Loan Party has agreed to secure all of the Secured Obligations under the Loan Documents by granting to the Lender, a security interest in and lien upon substantially all of their existing and after-acquired personal and real property (subject to the limitations and priorities contained in the Loan Documents and the Orders).

NOW THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged (these recitals being an integral part of this Agreement), the parties hereto hereby agree as follows:

ARTICLE I

Definitions

SECTION 1.01. Defined Terms. As used in this Agreement, the capitalized terms shall have the meanings specified in the Definitions Schedule attached hereto.

SECTION 1.02. [Reserved].

SECTION 1.03. Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. ARTICLE II
The Credits

SECTION 2.01. Revolving Commitment. Subject to the terms and conditions set forth herein, the Lender agrees to make Revolving Loans to the Borrower from time to time during the Availability Period in an aggregate principal amount that will not result in Availability being less than zero, subject to the Lender's authority, in its sole discretion, to make Protective Advances pursuant to the terms of Section 2.04. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans. Notwithstanding the foregoing, except with respect to the payment of the Closing Fee on the Effective Date, the Borrower shall not request (and the Lender shall have no obligation to make) any other Revolving Loan on the Effective Date.

SECTION 2.02. Term Loans..

(a) Subject to the terms and conditions set forth herein, on and after the Effective Date, the Lender agrees to make one or more term loans (each a "Term Loan") to the Borrower from time to time in an aggregate amount not to exceed \$4,000,000 (the "Term Loan Commitment"). The Term Loan Commitment shall be made available in multiple draws subject to the following conditions (in addition to those conditions elsewhere in this Agreement):

(i) a Term Loan in the amount of \$800,000 (the "Initial Term Loan") to be made upon the entry of the Interim Order by the Court, which portion of the Term Loan Commitment shall terminate upon the earlier of (A) the making of such Term Loan and (B) the first Business Day after the entry of the Interim Order by the Court;

(ii) a Term Loan in the amount of \$700,000 to be made upon the entry of the Final Order by the Court, which portion of the Term Loan Commitment shall terminate upon the earlier of (A) the making of such Term Loan and (B) the third Business Day after the entry of the Final Order by the Court; and

(iii) one or more Term Loans (each, a "Specified Term Loan") in an aggregate amount not to exceed \$2,500,000, so long as, with respect to each such Term Loan the Specified Term Loan Draw Conditions are satisfied, which portion of the Term Loan Commitment shall terminate upon the earlier of (A) the making of such Term Loans in an aggregate principal amount of \$2,500,000 and (B) the Business Day immediately prior to the Maturity Date.

(b) The Borrower hereby authorizes the making of the Initial Term Loan upon the entry of the Interim Order by the Court and acknowledges and agrees that no further act by the Borrower to request such Term Loan shall be required hereunder, which the Lender agrees to make so long as the conditions in Article IV are satisfied; provided, that if the Interim Order is entered after 2:00 p.m., New York time, on any Business Day, the Lender shall make the Initial Term Loan on the next succeeding Business Day. To request a Borrowing of a Term Loan other than the Initial Term Loan, the Borrower shall notify the Lender of such request either in writing (delivered by hand or fax) by delivering a Borrowing Request signed by a Responsible Officer of the Borrower or through an Electronic System if arrangements for doing so have been approved by the Lender not later than 12:00 noon, New York time, two Business Day prior to the proposed Borrowing. Each such Borrowing Request shall (i) specify the amount of the requested Borrowing, (ii) specify the date of such Borrowing, which shall be a Business Day, and (iii) with respect to any Borrowing of a Specified Term Loan, contain a certification of a Financial Officer of the Borrower that all Specified Term Loan Draw Conditions and the conditions set forth in Article IV have been satisfied.

SECTION 2.03. Borrowing Procedures; Requests for Borrowings.

(a) [Reserved].

(b) Request for Borrowings. To request a Borrowing of a Revolving Loan, the Borrower shall notify the Lender of such request either in writing (delivered by hand or fax) by delivering a Borrowing Request signed by a Responsible Officer of the Borrower or through an Electronic System if arrangements for doing so have been approved by the Lender (or if an Extenuating Circumstance shall exist, by telephone) not later than 12:00 noon, New York time, two Business Days prior to the date of the proposed Borrowing; provided, that the Borrower shall not request Borrowings of Revolving Loans on more than one occasion each week unless the Lender otherwise agrees in its sole discretion. Each such Borrowing Request shall be irrevocable and each such telephonic Borrowing Request, if permitted, shall be confirmed immediately upon cessation of the Extenuating Circumstance by hand delivery, facsimile, or a communication through Electronic System to the Lender of a written Borrowing Request in a form approved by the Lender and signed by a Responsible Officer of the Borrower. Each such written (or if permitted, telephonic) Borrowing Request shall specify the following information in compliance with Section 2.01:

- (i) the aggregate amount of the requested Borrowing and a breakdown of the separate wires comprising such Borrowing; and
- (ii) the date of such Borrowing, which shall be a Business Day.

SECTION 2.04. Protective Advances. Subject to the limitations set forth below, the Lender is authorized by the Borrower, from time to time in the Lender's sole discretion (but shall have absolutely no obligation to), to make Loans to the Borrower, which the Lender, in its Permitted Discretion, deems necessary or desirable (i) to preserve or protect the Collateral, or any portion thereof, (ii) to enhance the likelihood of, or maximize the amount of, repayment of the Loans and other Obligations or (iii) to pay any other amount chargeable to or required to be paid by the Borrower pursuant to the terms of this Agreement, including payments of reimbursable expenses (including costs, fees, and expenses as described in Section 8.03) and other sums payable under the Loan Documents (any of such Loans are herein referred to as "Protective Advances"). Protective Advances may be made even if the conditions precedent set forth in Section 4.02 have not been satisfied. The Protective Advances shall be secured by the Liens in favor of the Lender in and to the Collateral and shall constitute Obligations hereunder. The making of a Protective Advance on any one occasion shall not obligate the Lender to make any Protective Advance on any other occasion.

SECTION 2.05. [Reserved].

SECTION 2.06. Funding of Borrowings. The Lender shall make each Loan to be made by it hereunder on the proposed date thereof available to the Borrower by promptly crediting the amounts in immediately available funds, to the Funding Account; provided that deemed requests for Borrowings under Section 2.17(c), and Protective Advances shall be retained by the Lender.

SECTION 2.07. [Reserved].

SECTION 2.08. Termination of Commitment. (a) Unless previously terminated, the Revolving Commitment shall terminate on the Maturity Date.

(b) The Borrower may at any time terminate the Revolving Commitment upon the Payment in Full of the Secured Obligations and the Pre-Petition Obligations.

(c) The Borrower shall notify the Lender of any election to terminate the Revolving Commitment under paragraph (b) of this Section at least five Business Days prior to the effective date of such termination, specifying such election and the effective date thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitment delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be revoked by the Borrower (by notice to the Lender on or prior to the specified effective date) if such condition is not satisfied. Any termination of the Revolving Commitment shall be permanent.

SECTION 2.09. Repayment and Amortization of Loans; Collection and Application of Collateral Proceeds; Evidence of Debt.

(a) The Borrower hereby unconditionally promises to pay to the Lender (i) the then unpaid principal amount of each Revolving Loan on the Maturity Date, (ii) the then unpaid principal amount of each Term Loan on the Maturity Date, and (iii) the then unpaid amount of each Protective Advance on the earlier of the Maturity Date and demand by the Lender.

(b) All funds deposited into any Lock Box subject to a Lock Box Agreement or into a Collateral Deposit Account will be swept on a daily basis into a collection account maintained by the Borrower with the Lender or a depository bank approved by the Lender (the “Collection Account”). The Lender shall hold (or shall cause any such depository bank to hold) and shall apply funds received into the Collection Account as provided in Section 2.09(c).

(c) All amounts deposited in the Collection Account shall be deemed received by the Lender in accordance with Section 2.17. On each Business Day, the Lender shall apply all immediately available funds credited to the Collection Account, first, to prepay the Pre-Petition Loans that may be outstanding in the order and manner provided in the Pre-Petition Credit Agreement, second, to prepay any Protective Advances that may be outstanding, and third, to prepay the Revolving Loans; provided, that the order of payments set forth in this paragraph (c) notwithstanding, the Borrower may request that such amounts deposited in the Collection Account be used to repay any Protective Advances that may be outstanding solely in order to satisfy the requirements of Section 4.02(b) in respect of a request for a new Borrowing.

(d) The Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the Lender resulting from each Loan made by the Lender, in which the Lender shall record (i) the amount of each Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to the Lender hereunder and (iii) the amount of any sum received by the Lender hereunder. The entries made in such accounts shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that the failure of the Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans and other Obligations in accordance with the terms of this Agreement.

(e) The Lender may request that Loans made by it be evidenced by one or more promissory notes. In such event, the Borrower shall execute and deliver to the Lender a promissory note payable to the order of the Lender (or, if requested by the Lender, to the Lender and its registered assigns) and in a form prepared by the Lender. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 8.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

SECTION 2.10. Prepayment of Loans. (a) The Borrower shall have the right at any time and from time to time to prepay any Loan or any Pre-Petition Loan in whole or in part, subject to prior notice in accordance with paragraph (g) of this Section, without the payment of any premium, penalty, costs, or fees of any kind; provided, that any such prepayments shall be applied first, to the Pre-Petition Loans (in the order and manner provided in the Pre-Petition Credit Agreement) and second, to the Loans.

(b) In the event and on such occasion that Availability is less than zero, the Borrower shall prepay the Revolving Loans in an amount equal to such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of any Loan Party in connection with any Prepayment Event, the Borrower shall, promptly after such Net Proceeds are received by any Loan Party, be applied as set forth in Section 2.10(f) in an aggregate amount equal to 100% of such Net Proceeds.

(d) The Borrower shall prepay the Revolving Loans on the first Business Day of each week in an amount equal to the Excess Cash Amount calculated as of the last Business Day of the immediately preceding week, if any. As used herein, “Excess Cash Amount” means, for any week, an amount equal to (a) the aggregate amount of cash on deposit in all Deposit Accounts of the Loan Parties on the last Business Day of such week, minus (b) an amount equal to 115% of the Budgeted Disbursement Amount for the immediately succeeding week.

(e) In the event and on such occasion that a Change in Control occurs, the Borrower shall, on the date of such Change in Control, Pay in Full the Secured Obligations and the Pre-Petition Obligations.

(f) Notwithstanding anything to the contrary in this Agreement, during the period between the Effective Date and payment in full of all Pre-Petition Obligations, (i) funds credited to the Collection Account shall be applied in accordance with Section 2.09(c) and (ii) all other amounts not constituting a payment of a specific item (including all such amounts pursuant to Section 2.10(c) or (d)) shall be applied first, during the period between the Effective Date and payment in full of all Pre-Petition Obligations, to the Pre-Petition Obligations then outstanding in a manner satisfactory to the Lender, second, to prepay any Protective Advances that may be outstanding, third, to prepay the Term Loans (beginning with the first draw of the Term Loan made hereunder until repaid in full, and then each subsequent draw) in inverse order of maturing installments until such Term Loans, until repaid in full, and fourth to prepay the Revolving Loans without a corresponding reduction in the Revolving Commitment.

(g) The order of payments required by Sections 2.10(a), 2.10(f) and 2.17(b) notwithstanding, the Borrower may first prepay any Protective Advances that may be outstanding solely in order to satisfy the requirements of Section 4.02(b) in respect of a request for a new Borrowing.

(h) The Borrower shall notify the Lender by telephone (confirmed by facsimile) or through Electronic System, if arrangements for doing so have been approved by the Lender, of any prepayment hereunder not later than 10:00 a.m., New York time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Revolving Commitment as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.12.

SECTION 2.11. Fees. (a) The Borrower agrees to pay to the Lender the Closing Fee. The entire Closing Fee shall be deemed fully earned by the Lender and shall be due and payable in full on the Effective Date.

(b) The Borrower agrees to pay to the Lender, upon the earlier of (i) payment in full of the Obligations (whether through a voluntary prepayment, mandatory prepayment, or as a result of acceleration of the Obligations) and (ii) the Maturity Date, an exit fee (the “Exit Fee”) in the amount of \$100,000. Such fee shall be deemed fully earned by the Lender and shall be due and payable in full on the first of the foregoing events to occur.

(c) The Borrower agrees to pay to the Lender the Extension Fee (i) in connection with any Extension Request that is accepted in writing by the Lender, or (ii) in the event that the Obligations are not paid in full on or before the Maturity Date. Such fee shall be deemed fully earned and due and payable (A) in the case of clause (i), on the first Business Day after the Lender accepts in writing the Extension Request, and (B) in the case of clause (ii), on the first day after the Maturity Date.

(d) [Reserved].

(e) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Lender. Fees paid shall not be refundable under any circumstances.

SECTION 2.12. Interest. (a) The Loans and other Borrowings shall bear interest at the aggregate rate of 11% per annum (the “Interest Rate”) as set forth in clauses (i) and (ii) below.

(i) Cash Interest. The Loans and other Borrowings shall bear interest at a cash rate (“Cash Interest”) of six percent (6%) per annum.

(ii) PIK Interest. In addition to the Cash Interest in accordance with clause (i) above, the Loans and other Borrowings shall bear interest to be paid in kind (“PIK Interest”) at a rate equal to 5% per annum, in each case by the automatic increase of the principal amount of the Loans on each Interest Payment Date by the applicable PIK Amount. As used herein, “PIK Amount” shall mean with respect to the Loans and other Borrowings, as of any Interest Payment Date, an amount equal to the accrued but unpaid PIK Interest on the principal amount of such Loans and Borrowings as of such Interest Payment Date.

(b) [Reserved].

(c) [Reserved].

(d) Notwithstanding the foregoing, during the occurrence and continuance of a Default or Event of Default, the Lender may, at its option, by notice to the Borrower, declare that (i) all Loans shall bear interest at 2% plus the rate otherwise applicable to such Loans as provided in Section 2.12(a) or (ii) in the case of any other amount outstanding hereunder, such amount shall accrue at 2% plus the rate applicable to such fee or other obligation as provided hereunder.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan (either as Cash Interest or PIK Interest, as provided in Section 2.12(a)) and upon termination of the Commitment (in cash, notwithstanding Section 2.12(a)); provided that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on each Interest Payment Date, and then upon demand after the Maturity Date, and (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Revolving Loan prior to the end of the Availability Period), accrued interest on the

principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment; and provided further, that all PIK Interest not otherwise added to the principal balance of the Loans, in accordance with Section 2.12(a)(ii), shall be payable in cash on the Maturity Date and in connection with the payment of any Loan after the Maturity Date.

(f) All interest hereunder shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

SECTION 2.13. [Reserved].

SECTION 2.14. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, the Lender;

(ii) impose on the Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans hereunder; or

(iii) subject the Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clause (b) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to the Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by the Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to the Lender such additional amount or amounts as will compensate the Lender for such additional costs incurred or reduction suffered.

(b) If the Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the Lender's capital or on the capital of the Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, the Commitments of the Lender to a level below that which the Lender or the Lender's holding company could have achieved but for such Change in Law (taking into consideration the Lender's policies and the policies of the Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to the Lender such additional amount or amounts as will compensate the Lender or the Lender's holding company for any such reduction suffered.

(c) A certificate of the Lender setting forth the amount or amounts necessary to compensate the Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay the Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of the Lender to demand compensation pursuant to this Section shall not constitute a waiver of the Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate the Lender pursuant to this Section for any increased costs or reductions incurred more than 270 days prior to the date that the Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of the Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or

reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.15. [Reserved].

SECTION 2.16. Taxes. (a) **Withholding of Taxes; Gross Up.** Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.16) the Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) **Payment of Other Taxes by the Loan Parties.** The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Lender timely reimburse it for, Other Taxes.

(c) **Evidence of Payment.** As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.16, such Loan Party shall deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.

(d) **Indemnification by the Loan Parties.** The Loan Parties shall jointly and severally indemnify the Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Lender or required to be withheld or deducted from a payment to the Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Loan Party by the Lender shall be conclusive absent manifest error.

(e) **Treatment of Certain Refunds.** If the Lender determines, in its sole discretion, exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.16 (including by the payment of additional amounts pursuant to this Section 2.16), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.16 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of the Lender, shall repay to the Lender the amount paid over pursuant to this Section 2.16(e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.16(e), in no event will the Lender be required to pay any amount to an indemnifying party pursuant to this Section 2.16 the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This

Section 2.16(e) shall not be construed to require the Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(f) Survival. Each party's obligations under this Section 2.16 shall survive the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document (including the Payment in Full of the Secured Obligations).

(g) Defined Terms. For purposes of this Section 2.16, the term "applicable law" includes FATCA.

SECTION 2.17. Payments Generally; Allocation of Proceeds. (a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees, or of amounts payable under Section 2.14, or 2.16, or otherwise) prior to 3:00 p.m., New York time, on the date when due, in immediately available funds, without setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Lender, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Lender at its offices at 16 W. 46th Street, 11th Floor, New York, New York. Unless otherwise provided for herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) Any payments received by the Lender (including from proceeds of Collateral) (i) not constituting either (A) a specific payment of principal, interest, fees or other sums payable under the Loan Documents (which shall be applied as specified by the Borrower), (B) a mandatory prepayment (which shall be applied in accordance with Section 2.10), or (C) amounts to be applied from the Collection Account (which shall be applied in accordance with Section 2.09(c)), shall be applied by the Lender first, to repay the Pre-Petition Obligations in a manner satisfactory to the Lender until paid in full, and second, to the payment of the Secured Obligations in such order as the Lender may elect in its sole discretion. Notwithstanding the foregoing, amounts received from any Loan Party shall not be applied to any Excluded Swap Obligation of such Loan Party. The Lender shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Secured Obligations.

(c) At the election of the Lender, all payments of principal, interest, fees, premiums, reimbursable expenses (including, without limitation, all reimbursement for fees, costs and expenses pursuant to Section 8.03), and other sums chargeable to or required to be paid by the Borrower under the Loan Documents, may be paid from the proceeds of Borrowings made hereunder whether made following a request by the Borrower pursuant to Section 2.03 or a deemed request as provided in this Section or may be deducted from any deposit account of the Borrower maintained with the Lender or a depository bank approved by the Lender. The Borrower hereby irrevocably authorizes (i) the Lender, even if the conditions precedent set forth in Section 4.02 have not been satisfied, to make a Borrowing for the purpose of paying each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents and agrees that all such amounts charged shall constitute Revolving Loans (but such a Borrowing may only constitute a Protective Advance if it is to reimburse costs, fees and expenses as described in Section 8.03) and that all such Borrowings shall be deemed to have been requested pursuant to Sections 2.03 or 2.04, as applicable and (ii) the Lender to charge any deposit account of the Borrower maintained with the Lender or a depository bank approved by the Lender for each payment of principal, interest and fees as it becomes due hereunder or any other amount due under the Loan Documents.

(d) The Lender shall, on or about the first Business Day of each calendar month, provide the Borrower with account statements together with invoices with respect to any of the Secured

Obligations (the “Statements”). Statements may contain estimates of the amounts owed during the relevant billing period, whether of principal, interest, fees or other Secured Obligations. If the Borrower pays the full amount indicated on a Statement on or before the due date indicated on such Statement, the Borrower shall not be in default of payment with respect to the billing period indicated on such Statement; provided, that acceptance by the Lender of any payment that is less than the total amount actually due at that time (including but not limited to any past due amounts) shall not constitute a waiver of the Lender’s right to receive payment in full at another time.

SECTION 2.18. Indemnity for Returned Payments. If after receipt of any payment which is applied to the payment of all or any part of the Obligations (including a payment effected through exercise of a right of setoff), the Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason (including pursuant to any settlement entered into by the Lender in its discretion), then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by the Lender. The provisions of this Section 2.18 shall be and remain effective notwithstanding any contrary action which may have been taken by the Lender in reliance upon such payment or application of proceeds. The provisions of this Section 2.18 shall survive the termination of this Agreement.

SECTION 2.19. Super-Priority.

(a) The priority of Lender’s Liens on the Collateral, claims and other interests shall be as set forth in the Interim Order and Final Order.

(b) Upon the maturity (whether by acceleration or otherwise) of any of the Secured Obligations, the Lender shall be entitled to immediate payment of such Secured Obligations without further application to or order of the Court.

ARTICLE III
Representations and Warranties

Each Loan Party represents and warrants to the Lender that:

SECTION 3.01. Organization; Powers. Each Loan Party and each Subsidiary is duly organized or formed, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to, subject to the entry of the Interim Order (and Final Order, when applicable) and to the further approval of the Court for transactions outside the ordinary course of business, carry on its business as now conducted and is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization. Upon the entry of the Interim Order (and Final Order, when applicable), the Transactions will be within each Loan Party’s organizational powers and have been duly authorized by all necessary organizational actions and, if required, actions by equity holders. Each Loan Document to which each Loan Party is a party has been duly executed and delivered by such Loan Party and, upon the entry of the Interim Order (and Final Order, when applicable), will constitute a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, and other laws affecting creditors’ rights generally and subject to general principles of equity.

SECTION 3.03. Governmental Approvals; No Conflicts. Except for the entry of, and pursuant to the terms of, the Interim Order (and Final Order, when applicable), the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect, (b) will not violate any Requirement of Law applicable to any Loan Party or any Subsidiary, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon any Loan Party or any Subsidiary or the assets of any Loan Party or any Subsidiary, or give rise to a right thereunder to require any payment to be made by any Loan Party or any Subsidiary, and (d) will not result in the creation or imposition of, or the requirement to create, any Lien on any asset of any Loan Party or any Subsidiary, except Liens created pursuant to the Loan Documents.

SECTION 3.04. Financial Condition; No Material Adverse Change. (a) The Borrower has heretofore furnished to the Lender its consolidated balance sheet and statements of income, stockholders equity and cash flows (i) as of and for the Reference Fiscal Year, reported on by the Borrower's Accountants, and (ii) as of and for the Interim Fiscal Period certified by its Financial Officer. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and its consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments (all of which, when taken as a whole, would not be materially adverse) and the absence of footnotes in the case of the statements referred to in clause (ii) above.

(b) No event, change or condition has occurred that has had, or could reasonably be expected to have, a Material Adverse Effect, since the Petition Date, other than those events or circumstances customarily resulting from the commencement of the Chapter 11 Cases.

SECTION 3.05. Properties. (a) As of the date of this Agreement, Section 3.05 of the Disclosure Certificate sets forth the address of each parcel of real property that is owned or leased by any Loan Party. To the actual knowledge of the Loan Parties, each of such leases and subleases is valid and enforceable in accordance with its terms and is in full force and effect, and no material default by any Loan Party to any such lease or sublease exists other than defaults arising solely as a result of the commencement of the Chapter 11 Cases. Each of the Loan Parties and each of its Subsidiaries has good and indefeasible title to, or valid leasehold interests in, all of its real and personal property, free of all Liens other than those permitted by Section 6.02, including without limitation, those current and future Liens on real property securing the PAO TMK Indebtedness and any extensions, renewals, refinancings and replacements of the PAO TMK Indebtedness made in accordance with the requirements of Section 6.01(f) hereof.

(b) Each Loan Party and each Subsidiary owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property used in connection with its business as currently conducted, a correct and complete list of which, as of the date of this Agreement, is set forth in Section 3.05 of the Disclosure Certificate, and the use thereof by each Loan Party and each Subsidiary does not infringe in any material respect upon the rights of any other Person, and each Loan Party's and each Subsidiary's rights thereto are not subject to any licensing agreement or similar arrangement.

(c) All tangible items of Collateral, other than inventory in transit and motor vehicles that are temporarily relocated in the ordinary course of business, are and will be located at the business locations set forth on Section 3.05 of the Disclosure Certificate.

SECTION 3.06. Litigation and Environmental Matters. (a) Except for the Chapter 11 Cases and the foreclosure actions in respect of the PAO TMK Indebtedness, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or threatened against or affecting any Loan Party or any Subsidiary (i) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result

in a Material Adverse Effect (other than the Disclosed Matters) or (ii) that involve any Loan Document or the Transactions.

(b) Except for the Disclosed Matters (i) no Loan Party nor any Subsidiary has received notice of any claim with respect to any Environmental Liability or knows of any basis for any Environmental Liability and (ii) except with respect to any other matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, no Loan Party or any Subsidiary (A) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (B) has become subject to any Environmental Liability, (C) has received notice of any claim with respect to any Environmental Liability or (D) knows of any basis for any Environmental Liability.

(c) Since the date of this Agreement, there has been no change in the status of the Disclosed Matters that, individually or in the aggregate, has resulted in, or materially increased the likelihood of, a Material Adverse Effect.

SECTION 3.07. Compliance with Laws and Agreements; No Default. Except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, and other than non-compliance arising solely as a result of the commencement of the Chapter 11 Cases, each Loan Party and each Subsidiary is in compliance with (i) all material Requirements of Law applicable to it or its property and (ii) all indentures, agreements and other instruments binding upon it or its property. Except for any defaults or events of default arising solely as a result of the commencement of the Chapter 11 Cases, the foreclosure actions in respect of the PAO TMK Indebtedness, and any defaults or events of default arising under the Pre-Petition Credit Agreement to the extent the Pre-Petition Obligations have not been converted to Obligations under (and in accordance with) this Agreement, no Default or Event of Default has occurred and is continuing.

SECTION 3.08. Investment Company Status. No Loan Party or any Subsidiary is an investment company as defined in, or subject to regulation under, the Investment Company Act of 1940.

SECTION 3.09. Taxes. Each Loan Party and each Subsidiary has timely filed or caused to be filed all Tax returns and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which such Loan Party or such Subsidiary, as applicable, has set aside on its books adequate reserves or (b) to the extent that the failure to do so could not be expected to result in a Material Adverse Effect. No Liens have been filed and no claims are being asserted with respect to any such Taxes.

SECTION 3.10. ERISA. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect. SECTION 3.11. Disclosure. (a) The Loan Parties have disclosed to the Lender all agreements, instruments and corporate or other restrictions to which any Loan Party or any Subsidiary is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result

in a Material Adverse Effect. None of the reports, financial statements, certificates or other information furnished by or on behalf of any Loan Party or any Subsidiary to the Lender in connection with this Agreement or any other Loan Document (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, the Loan Parties represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time delivered and, if such projected financial information was delivered prior to the Effective Date, as of the Effective Date.

(b) As of the Effective Date, to the best knowledge of the Borrower, the information included in the Beneficial Ownership Certification provided on or prior to the Effective Date to the Lender in connection with this Agreement is true and correct in all respects.

SECTION 3.12. Material Agreements. SECTION 3.13. Accounts, Chattel Paper and Inventory.

(a) **Accounts.**

(i) The names of the obligors, amounts owing, due dates and other information with respect to its Accounts and Chattel Paper are and will be correctly stated in all records of such Loan Party relating thereto and in all invoices and Borrowing Base Certificates and other reporting furnished to the Lender from time to time by the Borrower or any other Loan Parties from time to time. As of the time when each Account or each item of Chattel Paper arises, such Loan Party shall be deemed to have represented and warranted that such Account or Chattel Paper, as the case may be, and all records relating thereto, are genuine and in all respects what they purport to be.

(ii) With respect to its Accounts (except as specifically disclosed on the most recent Borrowing Base Certificate), and, with respect to clauses (C) and (D) below, issues that occur in the ordinary course of business which are not material either individually or in the aggregate), (A) all Accounts are Eligible Accounts; (B) all Accounts represent bona fide sales of Inventory or rendering of services to Account Debtors in the ordinary course of such Loan Party's business and are not evidenced by a judgment, Instrument or Chattel Paper; (C) there are no setoffs, claims or disputes existing or asserted with respect thereto and such Loan Party has not made any agreement with any Account Debtor for any extension of time for the payment thereof, any compromise or settlement for less than the full amount thereof, any release of any Account Debtor from liability therefor, or any deduction therefrom except a discount or allowance allowed by such Loan Party in the ordinary course of its business for prompt payment and disclosed to the Lender; (D) to such Loan Party's knowledge, there are no facts, events or occurrences which in any way impair the validity or enforceability thereof or could reasonably be expected to reduce the amount payable thereunder as shown on such Loan Party's books and records and any invoices, statements and reports with respect thereto; (E) such Loan Party has not received any notice of proceedings or

actions which are threatened or pending against any Account Debtor which might result in any adverse change in such Account Debtor's financial condition; and (F) such Loan Party has no knowledge that any Account Debtor has become insolvent or is generally unable to pay its debts as they become due. The amounts shown on all invoices, statements and Borrowing Base Certificates and other reports delivered to Lender hereunder with respect thereto are actually and absolutely owing to such Loan Party as indicated thereon and are not in any way contingent.

(b) Inventory. With respect to any of its Inventory scheduled or listed on the most recent Borrowing Base Certificate, (i) such Inventory (other than Inventory in transit) is located at one of such Loan Party's locations set forth in Section 3.05 of the Disclosure Certificate, (ii) no Inventory (other than Inventory in transit) is now, or shall at any time or times hereafter be stored at any other location other than as set forth in Section 3.05 of the Disclosure Certificate, (iii) such Loan Party has good, indefeasible and merchantable title to such Inventory and such Inventory is not subject to any Lien or security interest or document whatsoever except for Liens permitted hereunder, (iv) except as specifically disclosed in the most recent Borrowing Base Certificate, such Inventory is Eligible Inventory of good and merchantable quality, free from any defects, (v) such Inventory that is reflected as Eligible Inventory on the most recent Borrowing Base Certificate is not subject to any licensing, patent, royalty, trademark, trade name or copyright agreements with any third parties which would require any consent of any third party upon sale or disposition of that Inventory or the payment of any monies to any third party upon such sale or other disposition, (vi) to such Loan Party's knowledge, such Inventory has been produced in accordance with the Federal Fair Labor Standards Act of 1938, as amended, and all rules, regulations and orders thereunder, and (vii) the completion of manufacture, sale or other disposition of such Inventory by the Lender following an Event of Default shall not require the consent of any Person and shall not constitute a breach or default under any contract or agreement to which such Loan Party is a party or to which such property is subject.

SECTION 3.14. Insurance. Section 3.14 of the Disclosure Certificate sets forth a description of all insurance maintained by or on behalf of the Loan Parties and their Subsidiaries as of the Effective Date. As of the Effective Date, all premiums then due in respect of such insurance have been paid. The Borrower maintains, and has caused each Subsidiary to maintain, with financially sound and reputable insurance companies, insurance on all their real and personal property in such amounts, subject to such deductibles and self-insurance retentions and covering such properties and risks as are adequate and customarily maintained by companies engaged in the same or similar businesses operating in the same or similar locations.

SECTION 3.15. Capitalization and Subsidiaries. Section 3.15 of the Disclosure Certificate sets forth (a) a correct and complete list of the name and relationship to the Borrower of each Subsidiary, (b) a true and complete listing of each class of each of the Borrower's authorized Equity Interests, all of which issued Equity Interests are validly issued, outstanding, fully paid and non-assessable, and owned beneficially and of record by the Persons identified in Section 3.15 of the Disclosure Certificate, and (c) the type of entity of the Borrower and each Subsidiary. All of the issued and outstanding Equity Interests owned by any Loan Party have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable. There are no outstanding commitments or other obligations of any Loan Party to issue, and no options, warrants or other rights of any Person to acquire, any shares of any class of capital stock or other equity interests of any Loan Party.

SECTION 3.16. Security Interest in Collateral. Subject to the entry of the Interim Order, the provisions of this Agreement and the other Loan Documents shall be effective to create legal and valid first priority liens over all other Liens on the Collateral except in the case of (a) Permitted Encumbrances, to the extent any such Permitted Encumbrances would have priority over the Liens in favor of the Lender pursuant to any applicable law or agreement or Liens permitted by the Orders, to the extent such Liens would have priority over the Liens in favor of the Lender pursuant to the terms thereof, and (b) Liens perfected only by

possession (including possession of any certificate of title) to the extent the Lender has not obtained or does not maintain possession of such Collateral. Specifically, and subject to the foregoing and the terms of the Interim Order, upon entry of the Interim Order, Lender shall receive: (i) pursuant to section 364(c)(2) of the Bankruptcy Code, a first priority senior security interest in all unencumbered property of the Loan Parties, whether now owned or hereinafter acquired, excluding causes of action under chapter 5 of the Bankruptcy Code or analogous state law (“Avoidance Actions”) but including, subject to entry of the Final Order, proceeds of Avoidance Actions solely to the extent that all other Collateral is insufficient to satisfy the Secured Obligations hereunder; (ii) pursuant to section 364(d)(1) of the Bankruptcy Code, a senior secured priming lien upon all property of the Loan Parties subject to liens held by the Pre-Petition Lender pursuant to the Pre-Petition Loan Documents, whether now existing or hereinafter acquired; and (iii) pursuant to section 364(c)(3) of the Bankruptcy Code, a junior security interest upon all other property of the Loan Parties not otherwise referenced in sections (i) or (ii) above and which is subject to valid, perfected, and unavoidable liens in existence immediately prior to the Petition Date, or subject to valid and unavoidable liens in existence immediately prior to the Petition Date that are subsequently perfected as permitted by section 546(b) of the Bankruptcy Code, which valid, perfected, and unavoidable liens are senior in priority to the security interests and liens of the Lender. For the avoidance of doubt, the security interests and liens granted to the Lender in this Section 3.16 shall be subject to the Carve Out in all respects and shall not apply to and shall not attach to any real property of the Loan Parties.

SECTION 3.17. Employment Matters. As of the Effective Date, there are no strikes, lockouts or slowdowns against any Loan Party or any Subsidiary pending or, to the knowledge of any Loan Party, threatened. The hours worked by and payments made to employees of the Loan Parties and their Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Federal, state, local or foreign law dealing with such matters. All payments due from any Loan Party or any Subsidiary, or for which any claim may be made against any Loan Party or any Subsidiary, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Loan Party or such Subsidiary.

SECTION 3.18. Margin Regulations. No Loan Party is engaged and will not engage, principally or as one of its important activities, in the business of purchasing or carrying Margin Stock, or extending credit for the purpose of purchasing or carrying Margin Stock, and no part of the proceeds of any Borrowing hereunder will be used to buy or carry any Margin Stock.

SECTION 3.19. Use of Proceeds. The proceeds of the Loans have been used and will be used, whether directly or indirectly, as set forth in Section 5.08.

SECTION 3.20. No Burdensome Restrictions. No Loan Party is subject to any Burdensome Restriction except Burdensome Restrictions permitted under Section 6.10.

SECTION 3.21. Anti-Corruption Laws and Sanctions. Each Loan Party has implemented and maintains in effect policies and procedures designed to ensure compliance by such Loan Party, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and such Loan Party, its Subsidiaries and their respective officers and employees and, to the knowledge of such Loan Party, its directors and agents, are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects and are not knowingly engaged in any activity that would reasonably be expected to result in any Loan Party being designated as a Sanctioned Person. None of (a) any Loan Party, any Subsidiary or any of their respective directors, officers or, to the knowledge of any such Loan Party or Subsidiary, any of their respective employees, or (b) to the knowledge of any such Loan Party or Subsidiary, any agent of such Loan Party or any Subsidiary that will act in any capacity in connection with or benefit from the credit facility established hereby, is a Sanctioned Person. No

Borrowing, use of proceeds, Transaction or other transaction contemplated by this Agreement or the other Loan Documents will violate Anti-Corruption Laws or applicable Sanctions.

SECTION 3.22. Affiliate Transactions. Except as set forth on Section 3.22 of the Disclosure Certificate, as of the date of this Agreement, there are no existing or proposed agreements, arrangements, understandings, or transactions between any Loan Party and any of the officers, members, managers, directors, stockholders, parents, holders of other Equity Interests, employees, or Affiliates (other than Subsidiaries) of any Loan Party or any members of their respective immediate families, and none of the foregoing Persons are directly or indirectly indebted to or have any direct or indirect ownership, partnership, or voting interest in any Affiliate of any Loan Party or any Person with which any Loan Party has a business relationship or which competes with any Loan Party (except that any such Persons may own Equity Interests in (but not exceeding 2.0%) of the outstanding Equity Interests of) any publicly traded company that may compete with a Loan Party.

SECTION 3.23. Common Enterprise. The successful operation and condition of each of the Loan Parties is dependent on the continued successful performance of the functions of the group of the Loan Parties as a whole and the successful operation of each of the Loan Parties is dependent on the successful performance and operation of each other Loan Party. Each Loan Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (i) successful operations of each of the other Loan Parties and (ii) the credit extended by the Lender to the Borrower hereunder, both in their separate capacities and as members of the group of companies. Each Loan Party has determined that execution, delivery, and performance of this Agreement and any other Loan Documents to be executed by such Loan Party is within its purpose, in furtherance of its direct and/or indirect business interests, will be of direct and indirect benefit to such Loan Party, and is in its best interest.

SECTION 3.24. Plan Assets; Prohibited Transactions. No Loan Party or any of its Subsidiaries is an entity deemed to hold “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise, and neither the execution, delivery or performance of the transactions contemplated under this Agreement, including the making of any Loan hereunder, will give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

SECTION 3.25. PAO TMK Indebtedness Documents. As of the Effective Date, the PAO TMK Indebtedness Documents, copies of all of which have been delivered to the Lender, are true and correct copies thereof and together comprise full and complete copies of all agreements among the parties thereto, with respect to the transactions contemplated by such PAO TMK Indebtedness Documents. There are no oral agreements or understandings not contained therein relating to or modifying the substance thereof as of the Effective Date. As of the Effective Date, the PAO TMK Indebtedness Documents are in full force and effect and have not been amended, terminated, rescinded or withdrawn in any material respect, except as shown on the true and correct copies delivered to the Lender.

SECTION 3.26. Approved Budget. Each of the initial Approved Budget, attached hereto as Annex A, which was delivered to the Lender on or prior to the Effective Date, and the then-applicable Approved Budget, was prepared in good faith upon assumptions the Borrower believed to be reasonable assumptions on the date of delivery of the then-applicable Approved Budget or update thereto. To the knowledge of the Borrower, no facts exist that (individually or in the aggregate) would result in any material change in the then-applicable Approved Budget.

SECTION 3.27. Chapter 11 Cases.

(a) The Chapter 11 Cases were commenced on the Petition Date in accordance with applicable law and proper notice thereof was given for (i) the motion seeking approval of the Loan Documents and the Interim Order and Final Order, (ii) the hearing for the entry of the Interim Order, and (iii) the hearing for the entry of the Final Order. The Loan Parties shall give, on a timely basis as specified in the Interim Order or the Final Order, as applicable, all notices required to be given to all parties specified in the Interim Order or Final Order, as applicable.

(b) After the entry of the Interim Order, and pursuant to and to the extent permitted in the Interim Order and the Final Order, the Obligations will constitute allowed administrative expense claims in the Chapter 11 Cases having priority over all administrative expense claims and unsecured claims against the Loan Parties now existing or hereafter arising, of any kind whatsoever, including all administrative expense claims of the kind specified in Sections 105, 326, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1114 or any other provision of the Bankruptcy Code or otherwise, as provided under Section 364(c)(1) of the Bankruptcy Code, subject to (i) the Carve-Out and (ii) the priorities set forth in the Interim Order or Final Order, as applicable.

(c) After the entry of the Interim Order and pursuant to and to the extent provided in the Interim Order and the Final Order, the Obligations will be secured by a valid and perfected first priority Lien on all of the Collateral subject, as to priority, only to (i) the Carve-Out, and (ii) to the extent set forth in the Interim Order or the Final Order.

(d) The Interim Order (with respect to the period on and after entry of the Interim Order and prior to entry of the Final Order) or the Final Order (with respect to the period on and after entry of the Final Order), as the case may be, is in full force and effect and has not been reversed, stayed (whether by statutory stay or otherwise), vacated, or, without the Lender's consent, modified or amended. The Loan Parties are in compliance in all material respects with the applicable Order.

(e) Notwithstanding the provisions of Section 362 of the Bankruptcy Code, and subject to the applicable provisions of the Interim Order or the Final Order, as the case may be, upon the Maturity Date (whether by acceleration or otherwise) of any of the Secured Obligations, the Lender shall be entitled to immediate payment of such Secured Obligations and to enforce the remedies provided for hereunder or under applicable law.

After the Effective Date, each Loan Party will comply with the terms of Section 5.13(d).

(c) Each Loan Party shall direct all of its Account Debtors to forward payments directly to the Collateral Deposit Accounts or Lock Boxes associated therewith. The Lender shall have sole access to the Collateral Deposit Accounts and Lock Boxes at all times and each Loan Party shall take all actions necessary to grant the Lender such sole access. At no time shall any Loan Party remove any item from a Lock Box or a Collateral Deposit Account without the Lender’s prior written consent. If any Loan Party should refuse or neglect to notify any Account Debtor to forward payments directly to a Collateral Deposit Account or associated Lock Box after notice from the Lender, the Lender shall be entitled to make such notification directly to such Account Debtor. Each Loan Party ratifies its authorization for the Lender to have filed in any UCC jurisdiction any initial financing statements or amendments thereto if filed prior to the date hereof.

(d) If any material assets (but specifically excluding any real property or improvements thereto or any interest therein) are acquired by any Loan Party after the Effective Date (other than assets constituting Collateral that become subject to the Lien in favor of the Lender or in accordance

(xviii) without the Lender's consent, an order of the Court shall be entered denying or terminating use of cash collateral by the Loan Parties; or

(xix) an order materially adversely impacting the rights and interests of the Lender, as determined by the Lender in its Permitted Discretion, shall have been entered by the Court; or

(xx) any Loan Party shall challenge, support or encourage a challenge of any payments made to the Lender with respect to the Obligations or the Pre-Petition Lender with respect to the Pre-Petition Obligations, or without the consent of the Lender, the filing of any motion by the Loan Parties seeking approval of (or the entry of an order by the Court approving) adequate protection to any Pre-Petition Lender that is inconsistent with the Order; or

(xxi) without the Lender's consent, the entry of any order by the Court granting, or the filing by any Loan Party or any of its Subsidiaries of any motion or other request with the Court (in each case, other than the Orders and motions seeking entry thereof or permitted amendments or modifications thereto) seeking, authority to use any cash proceeds of any of the Collateral without the Lender's consent or to obtain any financing under Section 364 of the Bankruptcy Code other than the Loan Documents without the Lender's consent; or

(xxii) any Loan Party or any person on behalf of any Loan Party shall file any motion seeking authority to consummate a sale of assets of the Loan Parties or the Collateral to the extent having a value in excess of \$100,000 outside the ordinary course of business and not otherwise permitted hereunder and without the Lender's consent; or

(xxiii) any Loan Party shall make any payment (whether by way of adequate protection or otherwise) of principal or interest or otherwise on account of any pre-petition Indebtedness or payables other than payments (A) in respect of accrued payroll and related expenses as of the commencement of the Chapter 11 Cases, (B) in respect of certain creditors as may be reasonably acceptable to the Lender and (C) permitted under this Agreement, in each case, to the extent authorized or required by one or more "first day" or "second day" orders or any of the Orders (or other orders with the consent of the Lender) and consistent with the Approved Budget; or

(xxiv) if, unless otherwise approved by the Lender, an order of the Court shall be entered providing for a change of venue with respect to any of the Chapter 11 Cases and such order shall not be reversed or vacated within ten (10) days; or

(xxv) without the Lender's consent, any Loan Party or any Subsidiary thereof shall file any motion or other request with the Court seeking (A) to grant or impose, under Section 364 of the Bankruptcy Code or otherwise, liens or security interests in any DIP Collateral (as defined in the Orders), whether senior, equal or subordinate to the Lender's liens and security interests; or (B) to modify or affect any of the rights of the Lender under the Orders, the Loan Documents, and related documents by any plan of reorganization confirmed in the Chapter 11 Cases or subsequent order entered in the Chapter 11 Cases;

then, and in every such event, and at any time thereafter during the continuance of such event, subject to the Orders and notwithstanding Section 362 of the Bankruptcy Code, the Lender may deliver a written notice of its intention to declare a termination of the Borrower's and the other Loan Parties' ability and rights to access or use of proceeds of any Loans (any such declaration, a "Termination Declaration"). The Termination Declaration shall be given by written notice (including electronic mail) to the Loan Parties, the U.S. Trustee and counsel to the Committee (as defined in the Orders), if any. If a Termination Declaration is delivered as provided above, the Loan Parties consent to a hearing being held before the Court on an expedited basis and the Lender will file a motion with the Court on at least five (5) Business Days' notice (subject to the Court's availability) to cause the Automatic Stay to be lifted to enable the Lender to exercise its rights and remedies against the Loan Parties under the Loan Documents, the Orders, or applicable law. The Loan Parties hereby waive their right to and shall not be entitled to seek relief, including under Section 105 of the Bankruptcy Code or otherwise, to the extent that such relief would in any way impair or restrict the express rights and remedies granted to the Lender under this paragraph.

ARTICLE VIII

Miscellaneous

SECTION 8.01. Notices. (a) Except in the case of notices and other communications expressly permitted to be given by telephone or Electronic Systems (and subject in each case to paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile, to the addresses set forth on the Terms Schedule attached hereto. All such notices and other communications (i) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received, (ii) sent by facsimile shall be deemed to have been given when sent, provided that if not given during normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient or (iii) delivered through Electronic Systems to the extent provided in paragraph (b) below shall be effective as provided in such paragraph.

(b) Notices and other communications to the Lender hereunder may be delivered or furnished by Electronic Systems pursuant to procedures approved by the Lender; provided that the foregoing shall not apply to notices pursuant to Article II or to compliance and no Default certificates delivered pursuant to item (c) of the Reporting Schedule attached hereto unless otherwise agreed by the Lender. Each of the Lender and the Borrower (on behalf of the Loan Parties) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Lender otherwise proscribes, all such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient, and (ii) posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, e-mail or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day of the recipient.

(c) Any party hereto may change its address, facsimile number or e-mail address for notices and other communications hereunder by notice to the other parties hereto.

SECTION 8.02. Waivers; Amendments. (a) No failure or delay by the Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Lender hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that it would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Lender may have had notice or knowledge of such Default or Event of Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Lender, or (ii) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Lender and the Loan Party or Loan Parties that are parties thereto.

SECTION 8.03. Expenses; Indemnity; Damage Waiver. (a) The Loan Parties, jointly and severally, shall pay all (i) reasonable out-of-pocket expenses incurred by the Lender and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Lender, in connection with the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments, modifications or waivers of the provisions of the Loan Documents, the Interim Order, the Final Order and any transaction contemplated thereby (whether or not the transactions contemplated hereby or thereby shall be consummated) and any refinancing of the obligations hereunder or any “exit financing” requested by the Loan Parties in connection with the Chapter 11 Cases (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) out-of-pocket expenses in connection with the administration of actions related to the Collateral, including any actions taken to perfect or maintain priority of the Lender’s Liens in the Collateral, to maintain any insurance required hereunder, to verify the Collateral, or any audit, inspection, or appraisal related to any Loan Party or the Collateral, and (iii) out-of-pocket expenses incurred by the Lender, including the fees, charges and disbursements of any counsel for the Lender, in connection with the enforcement, collection or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans. Expenses being reimbursed by the Loan Parties under this Section include, without limiting the generality of the foregoing, fees, costs and expenses incurred in connection with: (A) appraisals and insurance reviews; (B) field examinations and the preparation of Reports based on the fees charged by a third party retained by the Lender or the internally allocated fees for each Person employed by the Lender with respect to each field examination; provided, however, that the Borrower and any other Loan Parties shall not be obligated to reimburse the Lender for the costs of more than the number of field examinations set forth in the Terms Schedule attached hereto during any calendar year, unless a Default or Event of Default has occurred and exists at the time any additional field examinations are ordered or commissioned; (C) background checks regarding senior management and/or key investors, as deemed necessary or appropriate in the sole discretion of the Lender; (D) Taxes, fees and other charges for (1) lien and title searches and title insurance and (2) filing financing statements and continuations, and other actions to perfect, protect, and continue the Lender’s Liens; (E) sums paid or incurred to take any action required of any Loan Party under the Loan Documents that such Loan Party fails to pay or take; and (F) forwarding loan proceeds, collecting checks and other items of payment, and establishing and maintaining the accounts and lock boxes, and costs and expenses of preserving and protecting the Collateral. All of the foregoing

fees, costs and expenses may be charged to the Borrower as Revolving Loans or to another deposit account, all as described in Section 2.17(c).

(b) The Loan Parties, jointly and severally, shall indemnify the Lender, and each Related Party of the Lender (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, penalties, incremental taxes, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated hereby, and any refinancing of the obligations hereunder or any "exit financing" requested by Loan Parties in connection with the Chapter 11 Cases (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by a Loan Party or a Subsidiary, or any Environmental Liability related in any way to a Loan Party or a Subsidiary, (iv) the failure of a Loan Party to deliver to the Lender the required receipts or other required documentary evidence with respect to a payment made by a Loan Party for Taxes pursuant to Section 2.16, or (v) any actual or prospective claim, litigation, investigation, arbitration or proceeding relating to any of the foregoing, whether or not such claim, litigation, investigation, arbitration or proceeding is brought by any Loan Party or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. **WITHOUT LIMITATION OF THE FOREGOING, IT IS THE INTENTION OF THE LOAN PARTIES AND THE LOAN PARTIES AGREE THAT THE FOREGOING INDEMNITIES SHALL APPLY TO EACH INDEMNITEE WITH RESPECT TO LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES (INCLUDING, WITHOUT LIMITATION, ALL EXPENSES OF LITIGATION OR PREPARATION THEREFOR), WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE NEGLIGENCE, BUT NOT GROSS NEGLIGENCE, OF SUCH (AND/OR ANY OTHER) INDEMNITEE.** This Section 8.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim.

(c) To the extent permitted by applicable law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet) or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or the use of the proceeds thereof; provided that, nothing in this paragraph (c) shall relieve any Loan Party of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(d) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 8.04. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations

hereunder without the prior written consent of the Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) The Lender may assign to one or more Persons (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that, except in the case of an assignment to an Affiliate of the Lender or an Approved Fund, the Borrower must give its prior written consent to such assignment (which consent shall not be unreasonably withheld; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Lender within five Business Days after having received notice thereof); and provided further that no consent of the Borrower shall be required if an Event of Default has occurred and is continuing. Subject to notification of an assignment, the assignee shall be a party hereto and, to the extent of the interest assigned, have the rights and obligations of the Lender under this Agreement, and the Lender shall, to the extent of the interest assigned, be released from its obligations under this Agreement (and, in the case of an assignment covering all of the Lender's rights and obligations under this Agreement, the Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.16 and 8.03). The Borrower and each other Loan Party hereto hereby agrees to execute any amendment and/or any other document that may be necessary to effectuate such an assignment, including an amendment to this Agreement to provide for multiple lenders and an administrative agent to act on behalf of such lenders. Any assignment or transfer by the Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by the Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

For the purposes of this Section 8.04(b), the terms "Approved Fund" and "Ineligible Institution" have the following meanings:

"Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) the Lender, (b) an Affiliate of the Lender or (c) an entity or an Affiliate of an entity that administers or manages the Lender.

"Ineligible Institution" means a (a) natural person, (b) holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person or relative(s) thereof; provided that, with respect to clause (b), such holding company, investment vehicle or trust shall not constitute an Ineligible Institution if it (x) has not been established for the primary purpose of acquiring any Loans or Commitments, (y) is managed by a professional advisor, who is not such natural person or a relative thereof, having significant experience in the business of making or purchasing commercial loans, and (z) has assets greater than \$25,000,000 and a significant part of its activities consist of making or purchasing commercial loans and similar extensions of credit in the ordinary course of its business, or (c) a Loan Party or a Subsidiary or other Affiliate of a Loan Party.

(c) The Lender may, without the consent of, or notice to, the Borrower, sell participations to one or more banks or other entities other than an Ineligible Institution (a "Participant") in all or a portion of the Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) the Lender's obligations under this Agreement shall remain unchanged, (ii) the Lender shall remain solely responsible to the other parties hereto for the

performance of such obligations and (iii) the Borrower shall continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations under this Agreement. Subject to paragraph (d) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14 and 2.16 (subject to the requirements and limitations therein) to the same extent as if it were the Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under Section 2.14 or 2.16, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 8.08 as though it were a Lender. If the Lender shall sell a participation, it shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that the Lender shall have no obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitment, Loans, or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(d) The Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of the Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

SECTION 8.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lender may have had notice or knowledge of any Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitment has not expired or terminated. The provisions of Sections 2.14, 2.16 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitment or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

SECTION 8.06. Counterparts; Integration; Effectiveness; Electronic Execution. (a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Lender constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter

hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Lender and when the Lender shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby or thereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) THIS WRITTEN AGREEMENT REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

SECTION 8.07. Severability. Any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 8.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, the Lender and each of its Affiliates is hereby authorized (subject to the Termination Declaration requirements for seeking relief from the Automatic Stay) at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by the Lender or such Affiliate to or for the credit or the account of the Borrower or any Loan Guarantor against any and all of the Secured Obligations held by the Lender or such Affiliate, irrespective of whether or not the Lender shall have made any demand under the Loan Documents and although such obligations may be contingent or unmatured or are owed to a branch office or Affiliate of the Lender different from the branch office or Affiliate holding such deposit or obligated on such indebtedness. The rights of the Lender and its Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) which the Lender and its Affiliates may have.

SECTION 8.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) The Loan Documents (other than those containing a contrary express choice of law provision) shall be governed by and construed in accordance with the internal laws of the Governing State, but giving effect to federal laws applicable to national banks.

(b) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any U.S. Federal or Governing State court sitting in the Primary City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Documents, the transactions relating hereto or thereto, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in

respect of any such action or proceeding may (and any such claims, cross-claims or third party claims brought against the Lender or any of its Related Parties may only) be heard and determined in the Governing State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 8.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 8.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE OR OTHER AGENT (INCLUDING ANY ATTORNEY) OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 8.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 8.12. Confidentiality. The Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by any Requirement of Law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Loan Parties and their obligations, (g) with the consent of the Borrower,

(h) to holders of Equity Interests in the Borrower, (i) to any Person providing a Guarantee of all or any portion of the Secured Obligations or (j) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Lender on a non-confidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that is available to the Lender on a non-confidential basis prior to disclosure by the Borrower; provided that, in the case of information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 8.13. Nonreliance; Violation of Law. The Lender hereby represents that it is not relying on or looking to any margin stock for the repayment of the Borrowings provided for herein. Anything contained in this Agreement to the contrary notwithstanding, the Lender shall not be obligated to extend credit to the Borrower in violation of any Requirement of Law.

SECTION 8.14. USA PATRIOT Act. The Lender is subject to the requirements of the USA PATRIOT Act and hereby notifies each Loan Party that, pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow the Lender to identify such Loan Party in accordance with the USA PATRIOT Act.

SECTION 8.15. Disclosure. Each Loan Party hereby acknowledges and agrees that the Lender and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

SECTION 8.16. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to the Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB Rate to the date of repayment, shall have been received by the Lender.

SECTION 8.17. Marketing Consent. The Borrower hereby authorizes the Lender, at its sole expense, but without any prior approval by the Borrower, to publish such tombstones and give such other publicity to this Agreement as it may from time to time determine in its sole discretion. The foregoing authorization shall remain in effect unless and until the Borrower notifies the Lender in writing that such authorization is revoked.

SECTION 8.18. No Fiduciary Duty, etc. The Borrower acknowledges and agrees, and acknowledges its Subsidiaries' understanding, that Lender will not have any obligations except those obligations expressly set forth herein and in the other Loan Documents and Lender is acting solely in the capacity of an arm's length contractual counterparty to the Borrower with respect to the Loan Documents and the transaction contemplated therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrower or any other person. The Borrower agrees that it will not assert any claim against the Lender

based on an alleged breach of fiduciary duty by the Lender in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrower acknowledges and agrees that the Lender is not advising the Borrower as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrower shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Lender shall have no responsibility or liability to the Borrower with respect thereto. In addition, the Borrower acknowledges and agrees, and acknowledges its subsidiaries' understanding, that the Lender and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which you may have conflicting interests regarding the transactions described herein and otherwise. The Lender will not use confidential information obtained from the Borrower by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrower in connection with the performance by the Lender of services for other companies, and the Lender will not furnish any such information to other companies. The Borrower also acknowledges that the Lender has no obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower, confidential information obtained from other companies.

ARTICLE IX

Loan Guaranty

SECTION 9.01. Guaranty. Each Loan Guarantor (other than those that have delivered a separate Guaranty) hereby agrees that it is jointly and severally liable for, and, as a primary obligor and not merely as surety, absolutely, unconditionally and irrevocably guarantees to the Secured Parties, the prompt payment when due, whether at stated maturity, upon acceleration or otherwise, and at all times thereafter, of the Secured Obligations and all costs and expenses including, without limitation, all court costs and attorneys' and paralegals' fees (excluding allocated costs of in-house counsel and paralegals) and expenses paid or incurred by the Lender in endeavoring to collect all or any part of the Secured Obligations from, or in prosecuting any action against, the Borrower, any Loan Guarantor or any other guarantor of all or any part of the Secured Obligations (such costs and expenses, together with the Secured Obligations, collectively the "Guaranteed Obligations"); provided, however, that the definition of "Guaranteed Obligations" shall not create any guarantee by any Loan Guarantor of (or grant of security interest by any Loan Guarantor to support, as applicable) any Excluded Swap Obligations of such Loan Guarantor for purposes of determining any obligations of any Loan Guarantor. Each Loan Guarantor further agrees that the Guaranteed Obligations may be extended or renewed in whole or in part without notice to or further assent from it, and that it remains bound upon its guarantee notwithstanding any such extension or renewal. All terms of this Loan Guaranty apply to and may be enforced by or on behalf of any domestic or foreign branch or Affiliate of the Lender that extended any portion of the Guaranteed Obligations.

SECTION 9.02. Guaranty of Payment. This Loan Guaranty is a guaranty of payment and not of collection. Each Loan Guarantor waives any right to require the Lender to sue the Borrower, any Loan Guarantor, any other guarantor of, or any other Person obligated for all or any part of the Guaranteed Obligations (each, an "Obligated Party"), or otherwise to enforce its payment against any collateral securing all or any part of the Guaranteed Obligations.

SECTION 9.03. No Discharge or Diminishment of Loan Guaranty. (a) Except as otherwise provided for herein, the obligations of each Loan Guarantor hereunder are unconditional and absolute and not subject to any reduction, limitation, impairment or termination for any reason (other than the Payment in Full of the Guaranteed Obligations), including: (i) any claim of waiver, release, extension, renewal, settlement, surrender, alteration, or compromise of any of the Guaranteed Obligations, by operation of law or otherwise; (ii) any change in the corporate existence, structure or ownership of the Borrower or any other Obligated Party liable for any of the Guaranteed Obligations; (iii) any insolvency, bankruptcy,

reorganization or other similar proceeding affecting any Obligated Party, or their assets or any resulting release or discharge of any obligation of any Obligated Party; or (iv) the existence of any claim, setoff or other rights which any Loan Guarantor may have at any time against any Obligated Party, the Lender, or any other Person, whether in connection herewith or in any unrelated transactions.

(b) The obligations of each Loan Guarantor hereunder are not subject to any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, or unenforceability of any of the Guaranteed Obligations or otherwise, or any provision of applicable law or regulation purporting to prohibit payment by any Obligated Party, of the Guaranteed Obligations or any part thereof.

(c) Further, the obligations of any Loan Guarantor hereunder are not discharged or impaired or otherwise affected by: (i) the failure of the Lender to assert any claim or demand or to enforce any remedy with respect to all or any part of the Guaranteed Obligations; (ii) any waiver or modification of or supplement to any provision of any agreement relating to the Guaranteed Obligations; (iii) any release, non-perfection, or invalidity of any indirect or direct security for the obligations of the Borrower for all or any part of the Guaranteed Obligations or any obligations of any other Obligated Party liable for any of the Guaranteed Obligations; (iv) any action or failure to act by the Lender with respect to any collateral securing any part of the Guaranteed Obligations; or (v) any default, failure or delay, willful or otherwise, in the payment or performance of any of the Guaranteed Obligations, or any other circumstance, act, omission or delay that might in any manner or to any extent vary the risk of such Loan Guarantor or that would otherwise operate as a discharge of any Loan Guarantor as a matter of law or equity (other than the Payment in Full of the Guaranteed Obligations).

SECTION 9.04. Defenses Waived. To the fullest extent permitted by applicable law, each Loan Guarantor hereby waives any defense based on or arising out of any defense of the Borrower or any Loan Guarantor or the unenforceability of all or any part of the Guaranteed Obligations from any cause, or the cessation from any cause of the liability of the Borrower, any Loan Guarantor, or any other Obligated Party other than the Payment in Full of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Loan Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and, to the fullest extent permitted by law, any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against any Obligated Party, or any other Person. Each Loan Guarantor confirms that it is not a surety under any state law and shall not raise any such law as a defense to its obligations hereunder. The Lender may, at its election, foreclose on any Collateral held by it by one or more judicial or nonjudicial sales, accept an assignment of any such Collateral in lieu of foreclosure or otherwise act or fail to act with respect to any collateral securing all or a part of the Guaranteed Obligations, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Obligated Party or exercise any other right or remedy available to it against any Obligated Party, without affecting or impairing in any way the liability of such Loan Guarantor under this Loan Guaranty except to the extent the Guaranteed Obligations have been Paid in Full. To the fullest extent permitted by applicable law, each Loan Guarantor waives any defense arising out of any such election even though that election may operate, pursuant to applicable law, to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Loan Guarantor against any Obligated Party or any security.

SECTION 9.05. Rights of Subrogation. No Loan Guarantor will assert any right, claim or cause of action, including, without limitation, a claim of subrogation, contribution or indemnification that it has against any Obligated Party, or any collateral, until the Loan Parties and the Loan Guarantors have fully performed all their obligations to the Lender.

SECTION 9.06. Reinstatement; Stay of Acceleration. If at any time any payment of any portion of the Guaranteed Obligations (including a payment effected through exercise of a right of setoff) is

rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, or reorganization of any Obligated Party or otherwise (including pursuant to any settlement entered into by a Secured Party in its discretion), each Loan Guarantor's obligations under this Loan Guaranty with respect to that payment shall be reinstated at such time as though the payment had not been made and whether or not the Lender is in possession of this Loan Guaranty. If acceleration of the time for payment of any of the Guaranteed Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Obligated Party, all such amounts otherwise subject to acceleration under the terms of any agreement relating to the Guaranteed Obligations shall nonetheless be payable by the Loan Guarantors forthwith on demand by the Lender.

SECTION 9.07. Information. Each Loan Guarantor assumes all responsibility for being and keeping itself informed of each Obligated Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each Loan Guarantor assumes and incurs under this Loan Guaranty, and agrees that the Lender shall not have any duty to advise any Loan Guarantor of information known to it regarding those circumstances or risks.

SECTION 9.08. Termination. The Lender may continue to make loans or extend credit to the Borrower based on this Loan Guaranty until five days after it receives written notice of termination from any Loan Guarantor. Notwithstanding receipt of any such notice, each Loan Guarantor will continue to be liable to the Lender for any Guaranteed Obligations created, assumed or committed to prior to the fifth day after receipt of the notice, and all subsequent renewals, extensions, modifications and amendments with respect to, or substitutions for, all or any part of such Guaranteed Obligations. Nothing in this Section 9.08 shall be deemed to constitute a waiver of, or eliminate, limit, reduce or otherwise impair any rights or remedies the Lender may have in respect of, any Default or Event of Default that shall exist under clause (o) of Article VII hereof as a result of any such notice of termination.

SECTION 9.09. Taxes. Each payment of the Guaranteed Obligations will be made by each Loan Guarantor without withholding for any Taxes, unless such withholding is required by law. If any Loan Guarantor determines, in its sole discretion exercised in good faith, that it is so required to withhold Taxes, then such Loan Guarantor may so withhold and shall timely pay the full amount of withheld Taxes to the relevant Governmental Authority in accordance with applicable law. If such Taxes are Indemnified Taxes, then the amount payable by such Loan Guarantor shall be increased as necessary so that, net of such withholding (including such withholding applicable to additional amounts payable under this Section), the Lender receives the amount it would have received had no such withholding been made.

SECTION 9.10. Maximum Liability. Notwithstanding any other provision of this Loan Guaranty, the amount guaranteed by each Loan Guarantor hereunder shall be limited to the extent, if any, required so that its obligations hereunder shall not be subject to avoidance under Section 548 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, Uniform Voidable Transactions Act or similar statute or common law. In determining the limitations, if any, on the amount of any Loan Guarantor's obligations hereunder pursuant to the preceding sentence, it is the intention of the parties hereto that any rights of subrogation, indemnification or contribution which such Loan Guarantor may have under this Loan Guaranty, any other agreement or applicable law shall be taken into account.

SECTION 9.11. Contribution.

(a) To the extent that any Loan Guarantor shall make a payment under this Loan Guaranty (a "Guarantor Payment") which, taking into account all other Guarantor Payments then previously or concurrently made by any other Loan Guarantor, exceeds the amount which otherwise would have been paid by or attributable to such Loan Guarantor if each Loan Guarantor had paid the aggregate Guaranteed

Obligations satisfied by such Guarantor Payment in the same proportion as such Loan Guarantor's "Allocable Amount" (as defined below) (as determined immediately prior to such Guarantor Payment) bore to the aggregate Allocable Amounts of each of the Loan Guarantors as determined immediately prior to the making of such Guarantor Payment, then, following indefeasible payment in full in cash of the Guarantor Payment and the Payment in Full of the Guaranteed Obligations and the termination of this Agreement, such Loan Guarantor shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Loan Guarantor for the amount of such excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to such Guarantor Payment.

(b) As of any date of determination, the "Allocable Amount" of any Loan Guarantor shall be equal to the excess of the fair saleable value of the property of such Loan Guarantor over the total liabilities of such Loan Guarantor (including the maximum amount reasonably expected to become due in respect of contingent liabilities, calculated, without duplication, assuming each other Loan Guarantor that is also liable for such contingent liability pays its ratable share thereof), giving effect to all payments made by other Loan Guarantors as of such date in a manner to maximize the amount of such contributions.

(c) This Section 9.11 is intended only to define the relative rights of the Loan Guarantors, and nothing set forth in this Section 9.11 is intended to or shall impair the obligations of the Loan Guarantors, jointly and severally, to pay any amounts as and when the same shall become due and payable in accordance with the terms of this Loan Guaranty.

(d) The parties hereto acknowledge that the rights of contribution and indemnification hereunder shall constitute assets of the Loan Guarantor or Loan Guarantors to which such contribution and indemnification are owing.

(e) The rights of the indemnifying Loan Guarantors against other Loan Guarantors under this Section 9.11 shall be exercisable upon the Payment in Full of the Guaranteed Obligations and the termination of this Agreement.

SECTION 9.12. Liability Joint and Several. The liability of each Loan Party as a Loan Guarantor under this Article IX is in addition to and shall be joint and several with all liabilities of each Loan Party to the Lender under this Agreement and the other Loan Documents to which such Loan Party is a party or in respect of any obligations or liabilities of the other Loan Parties, without any limitation as to amount, unless the instrument or agreement evidencing or creating such other liability specifically provides to the contrary.

SECTION 9.13. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guarantee in respect of a Swap Obligation (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 9.13 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 9.13 or otherwise under this Loan Guaranty voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Except as otherwise provided herein, the obligations of each Qualified ECP Guarantor under this Section 9.13 shall remain in full force and effect until the termination of all Swap Obligations. Each Qualified ECP Guarantor intends that this Section 9.13 constitute, and this Section 9.13 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Any Lien granted in violation hereof shall be null and void, and PAO TMK shall release the same upon request by Senior Lender.

Notwithstanding the date, time, method, manner, or order of grant, attachment, or perfection of any Liens securing payment of the Senior Debt granted with respect to the Senior Lender Collateral or of any Liens securing the payment of the PAO TMK Debt granted with respect to the Real Property Collateral and the Equipment, and notwithstanding any contrary provision of any applicable law, the Loan Documents or the documents establishing and governing the PAO TMK
